News You Can Use: January 3, 2025

Dear CCGS Caregivers,
Happy New year! I hope you had a wonderful winter break with your family! Most of this newsletter will be the same as it was just before break, but I wanted you to have it again for important dates and reminders. However, I did attach the PTO January agenda for you. I can't wait to see your students Monday!

Dr. Hamm

- Hello! I'm helping to collect donations for a benefit being hosted at the Moose in Yorkville for Savannah Karm. Savannah and her family live here locally in Yorkville. She is 6 years old and currently undergoing treatment for a medulloblastoma, which is a

type of brain cancer. Her treatments will continue until November of 2025. We know it's been a tough year financially for both individuals and businesses, and that businesses are always getting approached about benefits and donations. We completely understand if now isn't a time that works to make a donation, but if you are able to, this would be a great way to spread the reach of your business! We will have both a silent auction and raffle baskets, so no donation is too small. If you're able to contribute anything, I would be stop by and pick up. Please reach out at your convenience. The benefit is being held on January 11th , 2025. Please also join us if you can. The below white flyer can be retained for your purposes for a tax deductible donation.

Estimados cuidadores de CCGS,
¡Feliz año nuevo! ¡Espero que hayas tenido unas maravillosas vacaciones de invierno con tu familia! La mayor parte de este boletín será el mismo que antes de las vacaciones, pero quería que lo tuviera nuevamente para fechas importantes y recordatorios. Sin embargo, le adjunté la agenda de enero del PTO. ¡No puedo esperar a ver a tus estudiantes el lunes!

Dr. hamm

- ¡Hola! Estoy ayudando a recolectar donaciones para un evento benéfico que se llevará a cabo en Moose en Yorkville para Savannah Karm. Savannah y su familia viven aquí en Yorkville. Tiene 6 años y actualmente está en tratamiento por un meduloblastoma, que es un tipo de cáncer cerebral. Sus tratamientos continuarán hasta noviembre de 2025. Sabemos que ha sido un año difícil financieramente tanto para las personas como para las empresas, y que siempre se acercan a las empresas sobre beneficios y donaciones. Entendemos completamente si ahora no es el momento adecuado para hacer una donación, pero si puedes hacerlo, ¡esta sería una excelente manera de ampliar el alcance de tu negocio! Tendremos una subasta silenciosa y canastas para rifar, por lo que ninguna donación es demasiado pequeña. Si puedes aportar algo, pasaré a recogerlo. Comuníquese cuando le resulte más conveniente. El beneficio se llevará a cabo el 11 de enero de 2025. Únase también a nosotros si puede. Puede conservar el siguiente folleto blanco para sus fines de donación deducible de impuestos. Agradecidamente, Nichole Martínez 630-220-3688 Coleryan86@gmail.com

Savannah Karm is a 1st Grade student from Circle Center Grade School. She was only able to attend 8 days of the school year before it was discovered that she had an aggressive cancerous brain tumor after being brought in for an eye exam. She had to have emergency surgery to have the fluid drained off of her brain for 9 days as well as brain surgery where 99% of the tumor was removed. She had to undergo a month of in-patient rehabilitation and 6 weeks of outpatient where she had to relearn everything. She is currently in the midst of cancer treatments which began 9/30/24 with 30 radiation treatments and chemo and will continue with more chemo through approximately November of 2025. Thank you for your support for this strong and brave little girl! [#SavannahRoseStrong](#) on Facebook
