

UYA SCHOOL OF EXCELLENCE Parent Newsletter

◆
1-6-25

Parents now that scholars have computers at home it is imperative that you begin to support us in our efforts to close achievement gaps with scholars. We need you support. We are asking that you have you scholar do 30 minutes of math and 30 minutes of reading on exact path 2 times a week preferably on Saturday and Sunday. In addition, if your scholar is absent have them work on exactpath during their absence in addition to the Saturday and Sunday. Exactpath is geared towards the things your scholar is missing academically. All scholars know how to get on exactpath and navigate thru their learning path.

Anet and NWEA testing schedule is forthcoming~
Anet: This assessment focuses on measuring students' understanding and mastery of critical skills and concepts aligned with state standards. It is designed to provide teachers with timely, actionable data that informs instruction and identifies areas for improvement.

NWEA (Northwest Evaluation Association)-This is a nationally recognized assessment that measures students' growth in areas such as math and reading through adaptive testing. NWEA helps us track student progress over time and allows teachers to tailor their instruction to meet individual learning needs.

HIGHLIGHT A TEACHER OR THE SCHOOL

You want to say something great about the school or your scholars teacher **Click here and write a message.**

We expect scholars to be in school 95% of the time as you can see from the chart no grade level is meeting the 95% average daily attendance. Parents we must do better at getting scholars in school daily. Scholars missing school tremendously effects their grades and their ability to move on to the next grade level. Let's help our scholars by getting them to school daily.

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses 2 days a month..	When a student misses 4 days a month..
They will miss 20 DAYS a year.	They will miss 40 DAYS a year.
They will miss 30 HOURS of math over the school year.	They will miss 60 HOURS of math over the school year.
They will miss 60 HOURS of reading & writing over the school year.	They will miss 120 HOURS of reading & writing over the school year.
They will miss over 1 YEAR of school by graduation.	They will miss over 2 YEARS of school by graduation.

Emergency Contact Cards

Emergency cards will come home this week and must be returned the very next day. It is of vital importance that your scholars emergency card is turned in as soon as possible. Do not be the reason your child's class does not receive the reward.
