## High School

# TRADE, VOCATIONS AND MILITARY

- > These schools offer students educational opportunities in specific career fields.
- > A career/technical school equips students with job-specific technical skills, core academic skills in order to function in the workplace and in routine daily activities, and employability skills (such as critical thinking and responsibility) that are essential in any career area.
- > Joining the military can be an exciting and life-changing experience. There are a lot of reasons young men and women across the United States show an interest. Some have a multigenerational respect for the military and want to serve like their older relatives did. Others want job security and the benefits that come along with being in the military. Whatever the reason, joining the military can create a great foundation for future personal growth.

Each section is divided into 2 equal length modules, and there is a 10-minute break between the Reading and Writing section and the Math section. # WHAT IS TEST OPTIONAL?

It is **YOUR** choice whether or not to send your standardized test scores to a college.

If a school or program has a test-optional admissions process, each applicant gets to choose whether or not to submit their ACT or SAT scores.

In other words, submitting your test scores is not a requirement for admissions.

For a complete list of schools that are test optional, click [here](#).

# TEACHER LETTERS OF RECOMMENDATION

Most colleges require 2 teacher letters of recommendation.

Students must ask two teachers in person and make the official request through Scoir. Must be requested by October 1st of senior year.

Should be from 2 teachers they had as an instructor, (not a coach or an outside reference). If they want a coach or outside reference that would be an extra letter.

Student MUST communicate with their teacher(s) about this regularly.

## What teachers need:

- > Your teacher will let you know what they need from you by having you fill out their LOR form or you can
- > Fill out the teacher brag sheet on Scoir
