Note from the Principal

The State School Report card is now available for East High School and the district. We are proud to announce that as a school we **EXCEED EXPECTATIONS**; an improvement over last year's report card. Our students and staff are working hard to achieve academic excellence in the classroom. We will continue this important work to ensure we keep moving in the right direction.

Parents/Guardians, please check your Parent Portal to see your students attendance, grades and credit attainment toward graduation. Students need 22 credits for graduation. Freshman should have 2+ credits, Sophomores should have 8+ credits, and Juniors should have 13+ credits right now to be on target for graduation. If they do not, please have conversations with your student. Please contact your student's counselor if you have questions. If you do not have access to the Parent Portal please call the help desk at 920-448-2148 to get assistance.

INCLEMENT WEATHER

In the event of bad weather where schools may be closed, delayed or closing early, area radio and television stations will be notified so parents can listen for school closing announcements. The district will also inform parents through social media, such as instant messaging, X, and Facebook.

If schools close after the start of the student day, the notice is given to the media at least an hour before the first students are released to give parents, bus companies and others enough time to respond.

<u>When you know that school will begin to close at a specific time, East High School will dismiss school approximately 30 minutes later.</u>

Whenever there are inclement weather days and the school may or may not be dismissed early in the day, parents are reminded that they may pick up their child/children anytime. Students will not be dismissed prior to the assigned time unless parents pick them up. For parents who are working, please instruct your children what to do and where they need to go should you remain at work.

CAREER CENTER

Did you know that East High School has a Career Center? There is a wealth of information pertaining to post-secondary planning including links to college and technical college websites, a calendar for each month highlighting what reps will be visiting, the most recent scholarship postings, local job opportunities, the military, and volunteer/service learning sites. This is an excellent resource for all students and parents!

Check the East Scholarship Guide on the school web site **often** for new scholarship opportunities. See your school counselor or Mrs. Kong in the Career Center if you need assistance with the scholarship process.

CAREER CENTER

Welcome to the East High School Career Center!

The Career Center is designed to support the Student Services Department. WORK PERMITS

On-Line Work Permit Instructions
(The school district no longer has access to do work permits)

The Department of Workforce Development's Equal Rights Division has developed an online work permit application tool. A parent can access the site:

https://dwd.wisconsin.gov/er/laborstandards/workpermit/

Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

If you have any questions or concerns, please do not hesitate to contact us by email at workpermits@dwd.wisconsin.gov.

EATS FOR EAST

The mission of East High School's Eats for East meal program is to provide healthy meals and snacks to students during non-school hours. The program supports, on a weekly basis, our unaccompanied youth, homeless students and families in need.

Good nutrition promotes good academics, and this program will ensure that students arrive on Monday morning ready to learn. When students feel their best, they do their best.

The vision for this program is that students be provided healthy food on both school and non-school days. Our schools are our community, and by providing meals and snacks over the weekend, we are supporting our students and improving our community one backpack at a time.

Donations and other inquiries can be directed to Sandy Waubanascum, social worker, at 920-272-7059 or at slwaubanascum@gbaps.org.

WADA Make-A-Wish Week

There are currently 500+ students in Wisconsin on the waiting list and there are families in our schools and in our membership that have either benefited from Make-A-Wish or hope to be impacted in the coming future. Based on our collective efforts the past few years, we were able to grant five wishes to students/families in need in Wisconsin...and we know we can have a greater impact! As an Association, we are approaching nearly $30,000 raised for Make-A-Wish Wisconsin since we began participating in this initiative!

December 2nd-December 7th, as #WadaWishWeek. We are making an intentional effort across the state to have a positive impact on others, looking to make dreams come true for those battling life changing adversity.

East High School will have donation baskets at each of our home basketball games:

Boys vs Preble on 12/3

Girls vs Menasha on 12/6
