

**SAINT JOSEPH HIGH SCHOOL  
MIDWINTER DANCE PERMISSION INFORMATION  
January 19, 2025**

It is the policy of Saint Joseph High School that all students attending the Midwinter Dance with anyone other than a Saint Joseph student must have a guest permission form on file in the Office of Student Life. This event is meant to be for a male and female couple. Saint Joseph students may attend the event by themselves. A guest of a Saint Joseph student must be either:

1. A high school graduate who has not yet reached his or her 21st birthday. The guest must have a permission form signed by the parents of the Saint Joseph student. The form is attached below.
2. A freshman, sophomore, junior, or senior in good standing from another high school. The student must present a signed statement by the principal or designated administrator from his/her high school. The form is attached below.

All guests must accompany the requesting Saint Joseph student on the specified date. If it comes to light that Saint Joseph students have bought tickets for external couples to attend, all parties involved will be requested to exit the dance. After selecting one of the two options below, all sections of that choice must be filled out before gaining entry. In each case, the permission form must be presented to either the parent and/or designated administrator of the school.

**Completion of the following information is required before gaining entry to the dance.**
