## 10. STATEMENT TO THE PUBLIC

Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Almost without exception, before a matter is placed on the agenda at a public meeting, the matter is thoroughly reviewed by the

Superintendent of Schools and, when necessary, other school district administrators. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, and if the circumstances permit, it is then referred to the appropriate committee of the Board of Education. The members of the Board committee work with the Administration and the Superintendent to assure its understanding of the matter. When the Board committee and the Superintendent are satisfied that it may be presented to the Board of Education, the matter is placed on the agenda at a public meeting.

#### **11. ADOPTION OF THE NEW JERSEY SCHOOL BOARD MEMBER CODE OF ETHICS**

It is recommended that each year boards of education review and endorse the New Jersey School Boards Association's Code of Ethics, thereby affording individual members the opportunity to declare themselves willing to abide by these principles. The following action will renew this commitment.

BE IT RESOLVED that the Red Bank Borough Board of Education adopts the following New Jersey School Board Member Code of Ethics.

- A. I will uphold and enforce all laws, rules and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes should be brought about only through legal and ethical procedures.
- B. I will make decisions in terms of the educational welfare of children and will seek to develop and maintain public schools that meet the individual needs of all children regardless of their ability, race, creed, sex, or social standing.
- C. I will confine my board action to policy making, planning and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
- D. I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
- E. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
- F. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
- G. I will hold confidential all matters pertaining to the schools, which, if disclosed, would needlessly injure individuals, or the schools. In all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its schools.
- H. I will vote to appoint the best-qualified personnel available after consideration of the recommendation of the chief administrative officer.
- I. I will support and protect school personnel in the proper performance of their duties.
- J. I will refer all complaints to the chief administrative officer and will act on the complaints at public meetings only after failure of an administrative solution.

BE IT FURTHER RESOLVED that the Red Bank Borough Board of Education adopts the following Code of Ethics.

- K. I will behave toward my fellow board members with the respect due their office - demonstrating courtesy, decorum and fair play at all public meetings and in all public statements.
