## TUITION REFUND PROTECTION PLAN 2025-2026 SCHOOL YEAR

In the mutual interest of parents and The Montessori School of Raleigh (“MSR” or “the School”), participation in MSR’s Tuition Refund Protection Plan (“TRPP”) is required unless the Comprehensive Fee, as defined below, for the 2025-2026 year has been paid in advance for the year under Payment Plan A (One-time) and participation in the TRPP is waived by selection on the Enrollment Contract.

### ***Why does MSR impose this obligation on parents?***

Virtually all independent schools require an Enrollment Contract for the full payment of tuition for the entire academic year. The reason for this is clear: school expenses are incurred on an annual basis, and schools must take the position that refunds and/or cancellation of unpaid obligations cannot be made.

In the event that a student’s enrollment at MSR is interrupted, TRPP provides for refunds of unused tuition (per the guidelines stated below) and provides for the payment of fees that are unpaid and still due for the balance of the current academic year. TRPP allows the school to receive the income specified in the student’s Enrollment Contract whether a student is withdrawn voluntarily, is withdrawn for medical reasons, or is dismissed for scholastic or disciplinary reasons. TRPP gives parents the security of knowing they will not be required to complete their contractual obligations should their child leave the school for any reasons outlined below.

Enrollment in the TRPP is contingent upon the full payment of the mandatory TRPP Fee, which is 2% of the Tuition Balance, as defined below. This mandatory TRPP Fee is to be paid with the first installment of the selected payment plan: July 1 if Payment Plan A (One-time); July 1 if Payment Plan B (Semester); June 2 if Payment Plan C (Monthly) .

In the event of a separation from school for any of the approved reasons, the TRPP refund, under the refund formula outlined above, will be handled by MSR’s Business Office. Some delay is an inevitable part of this process, as the School must gather information on any outstanding charges to the student’s account before rendering a final accounting and/or a refund. The Non-Refundable Deposit, Non-Refundable New Family Fee (if applicable), TRPP Fee, Late Pick-Up Charges, Administrative Fees or Late Payment Fees (if applicable) will not be refunded.

As the specifics of TRPP are clearly outlined in this document, disputes or differing interpretations are extremely rare. If such a dispute should arise, however, it is understood by the terms of this document that the final decision-making authority will rest with the Head of School.
