Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Caliber Public Schools (the School), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2024, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2024, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audit contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the School's 2023 consolidated financial statements, and expressed an unmodified opinion on those statements in our report dated December 6, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023 is consistent, in all material respects, with the consolidated audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School’s consolidated financial statements as a whole. The supplementary information (as identified in the table of contents) and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the local education agency organization structure but does not include the financial statements and other auditors’ report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 10, 2024 on our consideration of the School’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School’s internal control over financial reporting and compliance.

CALIBER PUBLIC SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Caliber Public Schools (the School) is a California nonprofit public benefit corporation and is organized to manage and operate public charter schools. The School is funded principally through state of California public education monies received through the California Department of Education. The charters may be revoked by the Sponsor for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Caliber: Beta Academy (CBA), Caliber: ChangeMakers Academy (CCMA), Caliber Public Schools Charter Management (CMO), and Caliber East Bay Real Estate (CEBRE), a separate 501(c)(3) nonprofit corporation and sole member of Valle Vista Education, LLC (VVE). All significant intracompany and intercompany accounts and transactions between these entities have been eliminated in the consolidated financial statements.

Basis of Accounting

The consolidated financial statements have been prepared on the accrual method of accounting, and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the consolidated statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, travel, office expenses, and other expenses, which are allocated on the basis of estimates of time and effort. Other fees for services were allocated based on estimated usage.

**CALIBER PUBLIC SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Certificates of Deposit

In December 2023, the School purchased two Certificates of Deposit (CD) in the amount of \$4,000,000 and \$3,000,000 with a maturity of nine and twelve months, respectively. The CDs are recorded at amortized cost and interest accrued. At June 30, 2024, the ending balance of the CDs were \$7,170,261.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2024. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Pledges Receivable

Unconditional promises to give expected to be received in one year or less are recorded as pledges receivable at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded as pledges receivable at fair market value at the date of the promise.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. The useful lives range vary from 3 to 40 years.

CALIBER PUBLIC SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as contributions without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the consolidated statement of financial position. As of June 30, 2024, the School has conditional grants of \$5,610,131 of which \$5,132,430 is recognized as deferred revenue in the consolidated statement of financial position.

Other Revenue

Other revenue consist primarily of business services agreements with two other charter schools. The services provided include financial tracking and analysis, accounting, accounts payable and receivable, payroll, reporting, audit and other operational and instructional consulting activities. The performance obligation is received as services are provided and recognized ratably over the course of the academic year.

CALIBER PUBLIC SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

The School does not allow employees to carry over and be paid out for unused vacation. Accordingly, there were no accumulated compensated absence benefits at June 30, 2024.

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section (IRC) 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School files an exempt organization return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Leases

The School leases certain facilities and equipment. The School determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in ROU assets – financing and lease liability – financing in the statements of financial position.

ROU assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the School uses its incremental borrowing rate or a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the School will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The School has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the consolidated statements of financial position.

**CALIBER PUBLIC SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

The School has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

In evaluating contracts to determine if they qualify as a lease, the School considers factors such as if the School has obtained substantially all of the rights to the underlying asset through exclusivity, if the School can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Comparative Totals

The consolidated financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the School's consolidated financial statements for the year ended June 30, 2023, from which the summarized information was derived.

Allocations between Charter Schools and CMO

For the year ended June 30, 2024, the School has chosen to identify each charter school and the CMO separately within the consolidating financial statements. In cases where specific identification of each charter's activities was not possible, items were allocated based upon identified criteria.

Evaluation of Subsequent Events

The School has evaluated subsequent events through December 10, 2024, the date these consolidated financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date. Financial assets available for general expenditures were comprised of the following as of June 30, 2024:

Cash and Cash Equivalents	\$ 8,999,920
Investments	\$ 7,170,261
Accounts Receivable - Federal and State	3,218,714
Accounts Receivable - Other	286,824
Pledges Receivable	186,000
Less: Net Assets With Donor Restriction	(1,381,879)
Financial Assets Available for General Expenditure	<u>\$ 18,479,840</u>

CALIBER PUBLIC SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 2 LIQUIDITY AND AVAILABILITY (CONTINUED)

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities, and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The School also maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PLEDGES RECEIVABLE

Unconditional promises to give expected to be received in one year or less are recorded as pledges receivable at net realizable value, which approximates fair market value. Unconditional promises to give expected to be received after one year are recorded as pledges receivable at fair value using estimated future cash flows discounted by 7%. At June 30, 2024, the School had pledges receivable expected to be received in the following periods:

In One Year or Less	\$ 200,000
Between One and Five Years	-
Total Gross Pledges Receivable	200,000
Less: Discount and Allowance on Pledges Receivable	(14,000)

NOTE 9 MEASURE T PARCEL TAX REVENUE

The Measure T was authorized by an election of the registered voters of West Contra Costa Unified School District (WCCUSD). Measure T was approved to protect core academics – reading, writing, math and science, attract and retain qualified teachers, prepare students for college and the workforce, provide smaller class sizes for the youngest children, provide classroom computers and technology, improve safety on and around campuses, support after-school programs to keep kids away from gangs and drugs, support science laboratories, materials and activities, and support libraries for WCCUSD and its sponsored charter schools by collecting taxes of 7.2 cents per square foot of total building area on each parcel of taxable real property with the District.

A summary of revenue and expenses for those charter schools that received these funds and spent on the required purposes is as follows:

NOTE 10 LONG-TERM DEBT

Prop 51 Loan

The School received \$26,803,092 pursuant to a funding agreement between the State Allocation Board and the California School Finance Authority collectively referred to as the State. The School applied to the State for financing of its charter school facilities project under the Charter School Facilities Program (CSFP) established pursuant to Article 12 of Chapter 12.5 of Part 10 of the California Education Code. The State provided grant funding for 50% of the approved costs for the project. The School is required to pay back the state the remaining 50% of the final apportionment funding and payments are expected to begin one year after the completion of the project.

Equitable Facilities Fund – CEBRE

The School obtained a loan in the amount of \$14,219,046 bearing an interest rate of 3.6%. The loan was used to buyout their previous lease with PCSD 500 Oregon Street LLC and additional lease improvements. Closing costs of \$334,966 were associated with the loan are amortized over the term of the loan. The loan is presented in the consolidated financial statements net of the unamortized closing costs.

As of June 30, 2024, the total outstanding debt was as follows:

Prop 51 Loan	\$ 13,015,392
Equitable Facilities Fund - CEBRE	12,987,485
Total Debt, Gross	<u>26,002,877</u>
Unamortized Debt Issuance Costs	(286,582)

2029	725,113
Thereafter	<u>22,570,356</u>
Total	<u><u>\$ 26,002,877</u></u>

NOTE 11 LEASES

The School leases equipment as well as certain operating facilities for various terms under long-term, noncancelable operating lease agreements. The leases expire at various dates through June 30, 2027. In the normal course of business, it is expected that the lease will be renewed or replaced by a similar lease. The agreement generally requires the School to comply with certain covenants and to maintain certain financial ratios. As of June 30, 2024, the School was in compliance with all ratios and covenants.

NOTE 13 CONTINGENCIES, RISKS AND UNCERTAINTIES

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

In the normal course of business, the School is subject to legal claims. After consultation with the School's legal counsel, management of the School is of the opinion that liabilities, if any, arising from such claims would not have a material effect on the School's financial position.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited consolidated financial statements.

NOTE 4 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the School under programs of the federal governmental for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School. Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The School has elected not to use the 10% de minimis indirect cost rate allowed under Uniform Guidance.

NOTE 5 SUPPLEMENTARY STATEMENTS BY LOCATION AND ENTITY

The supplementary consolidating statements of financial position, activities, cash flows, and functional expenses are presented as required by the state.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Caliber Public Schools
Richmond, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the consolidated financial statements of Caliber Public Schools (the School), a nonprofit California public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2024, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the consolidated financial statements, and have issued our report thereon dated December 10, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

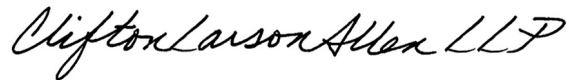

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School’s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM, AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Caliber Public Schools
Richmond, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Caliber Public Schools' (the School) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2024. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE

Board of Directors
Caliber Public Schools
Richmond, California

Report on Compliance

Opinion on State Compliance

We have audited Caliber Public Schools (the School) compliance with the types of compliance requirements applicable to the School described in the *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2024. The School's applicable State compliance requirements are identified in the table below.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that are applicable to the School for the year ended June 30, 2024.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the School’s compliance with the laws and regulations applicable to the following items:

Not Applicable⁶: The School did not report more than 20% of its ADA as generated through nonclassroom-based instruction (independent study).

Other Matters

The results of our audit procedures disclosed instances of noncompliance, which are required to be reported in accordance with *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* and which are described in the accompanying schedule of findings and questioned costs as item 2024-001. Our opinion on each state program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on the School's response to the noncompliance findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2024-001 and 2024-002, to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Schools' response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. the Schools' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Board of Directors
Caliber Public Schools

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

2024-001 Unduplicated Local Control Funding Formula Pupil Counts 40000

Caliber ChangeMakers Academy #1779

Criteria: Education code section 42238.02(b)(2) requires a charter school to submit its enrolled free and reduced-price meal eligibility, foster youth and English learner pupil-level records for enrolled pupils using the California Longitudinal Pupil Achievement Data System (CALPADS). The CALPADS 1.17 and 1.18 reports should accurately report the number of students eligible for free and reduced price meals and those identified as “English Learners”.

Condition and Context: During our testing we compared students’ family income per Free and Reduced Price Meal (FRPM) eligibility applications to the Income Eligibility Scales for 2023-24, and found that Caliber ChangeMakers Academy inaccurately reported two students as eligible for free or reduced price meals. Two errors in a sample of 32 were noted and the total impact of the error remained at 2 pupils after testing 100 percent of the population where the error was discovered.

2024-001 Unduplicated Local Control Funding Formula 40000
Pupil Counts (Continued)

Effect and Questioned Costs: Caliber ChangeMakers Academy is not in compliance with Education code section 42238.02(b)(2). After completing a full file review of the population where the error was discovered, we noted the 1.17 and 1.18 reports contained errors as follows:

Charter School Audit Adjustments to CALPADS Data - Caliber Public Schools for June 30, 2024

School Name	CDS Code	Original		Updated		Net Change		LCFF Entitlement		
		Enrollment Count	Unduplicated Pupil Count	Enrollment Count	Unduplicated Pupil Count	Enrollment Count	Unduplicated Pupil Count	Original Entitlement	Revised Entitlement	Adjustment
Caliber: ChangeMakers Academy	48 70581 0134262	2703	1996	2703	1994	—	-2	\$ 2,482,605	\$ 2,477,137	\$ (5,468)

Cause: There was a clerical error in entering the income information, the two students were found to be from the same household.

Repeat Finding: This is a repeat finding.

Recommendation: It is recommended Caliber ChangeMakers Academy update its processes to ensure review of classifications capture these discrepancies in the future.

Corrective Action Plan: The School will update its FRL form collection and direct certification processes to include additional data quality control steps and validation checks between its software systems.

2024-002 Mode of Instruction 40000

Caliber ChangeMakers Academy #1779

Criteria: Pursuant to the provisions of Education Code Sections 47605(l), the charter school's pupils were engaged in educational activities required of those pupils and the pupils were under the immediate supervision and control of an employee of the charter school who possessed a valid teaching certification.

Condition: One teacher out of six selections sampled for testing did not have proper credentials for portions of the school year. As a result, a finding for noncompliance must be reported pursuant to Ed Code 47605(l).

Effect: The School was not in compliance with Ed Code 47605(l) and students in 8th grade received 7,966 minutes of instruction by an employee of the charter school who did not possess a valid teaching certification.

Cause: Monitoring of teacher credentials was insufficient to ensure compliance.

Questioned Costs: None, there was no disallowed ADA as a result of this finding and the minimum instructional time requirements were met after the reduction of the disallowed minutes.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2024**

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

FINDINGS—FINANCIAL STATEMENT AUDIT

There were no financial statement findings in the prior year.

FINDINGS— FEDERAL AWARD PROGRAMS AUDITS

There were no federal award program audit findings in the prior year.

FINDINGS— STATE AWARD PROGRAMS AUDITS

2023-001 After/Before Schools Education and Safety (ASES) Program 40000

Caliber Beta Academy #1622 and Caliber ChangeMakers Academy #1779

Criteria: Per Education code section 8483 (a)(1)(B) every after school component of the program shall establish a policy regarding reasonable early daily release of pupils from the program. Additionally, per the *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* this includes maintaining records to support a pupils early release from the program is in line with its established policy.

Condition: During ASES program testing we noted the School's early release policy did not require families to complete a form or state a reason when picking up their student early. Of the students sampled that attended less than the full day we could not verify the reason for early release was consistent with the established early release policy for 3 students at Caliber ChangeMakers Academy and 2 students at Caliber Beta Academy for the following weeks tested 10/17/22 to 10/28/22.

2023-002 Unduplicated Local Control Funding Formula Pupil Counts 40000
(Continued)

Effect: The School is not in compliance with Education code section 42238.02(b)(2). The error identified above was extrapolated to the population of free and reduced eligible pupils and the 1.17 and 1.18 reports contained errors as follows:

Charter School Audit Adjustments to CALPADS Data - Caliber Public Schools for June 30, 2023

School Name	CDS Code	Original		Updated		Net Change		LCFF Entitlement		
		Enrollment Count	Unduplicated Pupil Count	Enrollment Count	Unduplicated Pupil Count	Enrollment Count	Unduplicated Pupil Count	Original Entitlement	Revised Entitlement	Adjustment

Cause: There was a clerical error in entering the income information for one student's record. The other student's record was incorrectly reported due to a data discrepancy in the direct certification process.

Questioned Costs: The error identified in the condition was extrapolated to the population of free and reduced eligible pupils and resulted in revised entitlement with a decrease of \$33,741 on supplemental grant funding which is used in the calculation of the LCFF entitlement.

Repeat Finding: See 2024-001.

Recommendation: It is recommended the School update its processes to ensure review of classifications capture these discrepancies in the future.

Corrective Action Plan: The School will update its FRL form collection and direct certification processes to include additional data quality control steps and validation checks between its software systems.
