ELECTIVES	4.0 CREDITS	
**TOTAL REQUIRED CREDITS	24 CREDITS	

Additional Requirements:

***Washington State History**

***High School & Beyond Plan**

***Grad Pathway:
English and Math Smarter
Balance Assessment**

SELECTING YOUR CLASSES

Starting next year, Eastlake will transition to a 6-period day. You will select your required 9th grade classes (Step 1), add in other necessary requirements (Step 2), and then add electives based off interest/graduation requirement (Step 3).

Step 1:

Choose your 4.0 required credits:

- 1.0 English 9
- 1.0 Math
- 1.0 Biology (regular or honors)
- .5 World History 1
- .5 Health

***9th graders will register for on-level English, and can select an Honors Designation option in the Fall.**

Step 2:

Consider what other classes you need to have in your schedule. EX:

- World Language
- Band/Choir
- IEP/Study Skills

Step 3:

Consider other classes based off of interest and graduation requirements. EX:

- Fine Art
- PE
- CTE

SAMPLE 9TH GRADE SCHEDULES

World Language + Elective

- 1) English 9
- 2) .5 World History 1 + .5 Health
- 3) Math
- 4) Biology (Regular or Honors)
- 5) World Language
- 6) Elective(s)

Band/Choir or Study Skills + Elective

- 1) English 9
- 2) .5 World History 1 + .5 Health
- 3) Math
- 4) Biology (Regular or Honors)
- 5) Band/Choir or Study Skills
- 6) Elective(s)

2.0 Electives

- 1) English 9
- 2) .5 World History 1 + .5 Health
- 3) Math
- 4) Biology (Regular or Honors)
- 5) Elective(s)
- 6) Elective(s)

*.5 Health is required for 9th graders.

*World Language can be started in Sophomore year.

Art

- Broadcast Communications
- Band 1
- Choir 1
- Orchestra 1
- 3D Art 1 A (.5)
- 3D Art 1 B (.5)
- 2D Art 1 A (.5)
- 2D Art 1 B (.5)
- Photography 1 A (.5)
- Photography 1 B* (.5)
- Intro to Theatre (.5)
- Technical Theatre 1*
- Drama 1 (.5)
- Drama 2 (.5)
- Theater Production Workshop (.5)
- Writing for Stage and Screen 1 (.5)
- Writing for Stage and Screen 2 (.5)
- Guitar 1 (.5)
- Guitar 2 (.5)
- Piano 1 (.5)
- Piano 2 (.5)

9TH GRADE ELECTIVES

Career Technical Education/CTE

- Material Science 1*
- Intro to Engineer and Design*
- AP Computer Science Principles*
- Business & Marketing Foundation 1 A (.5)
- Microsoft Office Specialist 1* (.5)
- Microsoft Office Specialist 2* (.5)
- Graphic Production & Design (.5)
- Video Production 1 A (.5)
- Video Production 1 B* (.5)
- Robotics 1 (.5)
- Robotics 2 (.5)
- Child Development 1 (.5)
- Child Development 2* (.5)
- Leadership Development & Project Management (.5)

***Classes with an asterisk indicate CTE-Dual Credit**

World Language

- Spanish 1 or 2
- Spanish for Heritage Speakers
- French 1 or 2
- Japanese 1 or 2
- American Sign Language 1*

Health & Physical Education

- Walking & Yoga (.5)
- Grade 9 PE (.5)
- Women's Strength Training (.5)
- Strength Training 1 (.5)

Humanities

- Journalism 1 (.5)
- Mystery & Detective Fiction (.5)
- Civics (.5)

What is CTE-Dual Credit?

- Career and Technical Education (CTE) Dual Credit, allow high school students the opportunity to earn college credit for successful completion of the CTE courses taught by certified high school instructors.
- These classes meet the CTE graduation requirement + another graduation requirement Dual credit does not provide 2.0 credits but meets 2 separate graduation requirements. EX: Photography 1 meets both CTE + Art requirements.

COURSE CATALOG

Check the course catalog for class descriptions, pre-requisites and required grade level!

<https://ehs.lwsd.org/counseling/course-catalog>

▼	Material Science I	CDC811, CDC812	9 10 11 12	2	1	Yes	STEM
<p>Material Science Technology (MST) is a multidisciplinary approach to science and technology which teaches students to better understand the properties and uses of materials. It combines scientific theories; practical applications of technology; and hands-on experiences to prepare students to work in a technologically rich environment. The course is separated into the categories of Solids; Metals; Ceramics; Polymers; and Composites. A key feature of MST is the ability to use materials to solve problems.</p>							<p>Grad Requirement Lab Science, Occupational Education</p> <p>CADR Area Science</p> <p>Prerequisite None</p>

SPECIAL EDUCATION/IEP

STUDY SKILLS CLASS

If you are currently enrolled in a Study Skills/Organization Class, you will register for that as one of your electives.

MUSIC PROGRAMS

Incoming 9th graders may register for:

- Choir 1
- Orchestra 1
- Band 1

Audition Only:

- Symphonic Band and Wind Ensemble
- Jazz Band
- Chamber Choir
- Orchestra 2 (Sinfonia) and Orchestra 3 (Chamber)

****Students will register for either Choir 1, Orchestra 1 or Band 1, and will receive an email regarding auditions in the spring. Once auditions are complete, the counselor will adjust the student's schedule accordingly.**

MATH PATHWAYS

Current Class:	Register For:
8 th Grade Math →	Algebra 1
Algebra 1 →	Geometry
Geometry →	Algebra 2 **Regular or Honors

Honors Algebra 2 Recommendation:

- Advanced skills in taking initiative, perseverance, and group collaboration.
- Strong interest in math and strong math foundation.
- Ability to work at a fast pace.

***If you are currently struggling in Algebra 1 or Geometry, you are encouraged to repeat that level math in 9th grade.**

***If you take Algebra 1 or Geometry at your Middle School, it will automatically be added onto your High School Transcript. You have until the end of your Junior year to remove these courses if you do not want them reflected on your High School Transcript.**

ADVANCING THE MATH PATHWAY

The EHS Math Department **STRONGLY DISCOURAGES** students from taking online Algebra 2 or Precalculus courses over the summer in order to accelerate their pathway. Online math courses do not fully align their standard to the math standards covered through LWSD and they do not reach the same level of depth with the concepts.

- While it is not recommended, students can advance the math pathway by taking an Out of District Course prior to the start of 9th grade.
- You must be approved for this course and follow the Eastlake process prior to starting the class.
- The approval process will start on February 1st, 2025, and must be completed by May 31st, 2025.
- Students are responsible for sending an official transcript to Eastlake by August 25th, 2025.
- **PLEASE NOTE:** You will register for the next course in your *current* math pathway. Once your counselor receives your official transcript from the outside institution, they will adjust your math placement in your EHS schedule.

ADVANCING THE MATH PATHWAY

OUT OF DISTRICT APPROVAL PROCESS:

1) Follow the step-by-step instructions on the EHS website, under [Counseling/Out of District and Online Course Information](#).

2) Wait for approval from Eastlake BEFORE you start your class. You will receive an approval/denial email starting May 31st, 2025.

3) Complete your class and turn in an official transcript to Eastlake by August 25th, 2025.

Class of 2029 - Information will be updated

February 2025

The application window for incoming freshman to request Out-of-District online courses is open February 1st – May 31st. .

The application window for incoming freshman to request Out-of-District online courses is open February 1st – May 31st. Please follow the steps below after reading the "Math Advancement Warning" in bottom left of page before selecting a course.

STEP 1 - Choose Provider: Please refer to the [OSPI Approved Online Provider List](#) . Read "Math Advancement Warning" in bottom right of page before selecting a course.

STEP 2 - Complete Appendix C: Once you have selected a provider and a course, complete [Appendix C](#) which you will attach to the Microsoft form in part 3. (#4 on the Appendix C form asks that you attach a syllabus or other information for the course. Please do not attach the syllabus. If your Counselor would like more information about the course, they will contact you)

STEP 3 - Apply for Approval:

Please submit your request for approval using this form (coming February 1, 2025). You are only allowed access to this form using your LWSO account. DO NOT pay for or begin your Out-of-District Online Course until you receive approval from EHS. We will begin sending approval/denial emails starting May 31st.

NEXT STEPS

- 1) Using your printed, [Class of 2029 Course Selection Worksheet & Course Codes](#), choose your 6 credits for next year.
- 2) Using the Skyward Directions below, enter your classes in Skyward. Skyward entry will be open for IMS from, **January 9th at 3:00 PM–January 16th at 3:00 PM**. Entry will be available for EMS from **January 14th @ 3:00 PM–January 21st @ 3:00 PM**.
- 3) EHS Counselors will return to your school on **January 16th (IMS) or January 21st (EMS)** to help assist with class entry.

Written directions can be found here:

?? FAQ ??

1) What is the difference between an Honors level course vs. Regular?

Honors level courses cover material at a faster pace and greater depth. Honors level requires advanced skills in taking initiative and perseverance. It is recommended to only select honors level if the student has strong skills in that subject.

2) Can I double up on Science freshmen year?

A small number of students take an additional science during freshmen year, and it is not recommended. For the rare students who do enroll in 2 sciences, it is recommended to take the combination of Biology and Chemistry. Students must meet the pre-requisites for Chemistry.

3) Can I test out of the World Language Requirement?

Students can earn up to 4.0 World Language Credits and the Seal of Biliteracy through the, “World Language Credit by Proficiency,” assessment through LWSD. More information can be found on the LWSD website [HERE](#).

4) Where can I find more information if I have questions on course selection, Skyward entry and general high school questions?

The class of 2029 has their own page on the EHS website! There is in depth FAQ, course selection information and other registration materials. You can find this on the EHS Website under the [Counseling Tab-Incoming Freshmen Class of 2029](#).
