Principal's Den

Dear LES families,

Happy New Year! I hope you and your family had a wonderful holiday season and 2025 is off to a great start! My staff and I are excited to get the second semester started!

Thank you to all who contributed to the Liberty Elf program this year. We had a wonderful response from our school community and were able to spread some holiday cheer to some very happy families. Your generosity and kindness were greatly appreciated and felt by all.

The LES lost and found is growing! If your little lion is missing a coat, jacket, water bottle, gloves, hat, etc., you are welcome to check in at the front office and see if you can find some lost items.

Sincerely,

Mrs. Patton

Winter Weather Reminders

It's that time of year! As the temperatures turn frosty and the possibility of snow and ice increase, I want to make sure you are aware of the FSSD inclement weather procedures. If FSD schools are closed or delayed, the district will notify parents via email and through the district's social media platforms. Please make sure your phone number and email address is accurate in Skyward so you can receive these messages. As a reminder, the FSD is not the same school district as Williamson County Schools. Be sure to look for FSD school closure notifications.

Cold and Flu Season

The cold and flu season is here. Keeping our students healthy so they can be in school during this time of year is a team effort! The links below will take you to the FSD illness protocol. By following these guidelines, our students and staff will hopefully stay well this season.
