

Support Adventures in Learning Great Neck

For over 47 years, Adventures in Learning has been a lifeline for our community's most vulnerable children.

This vital after-school program serves elementary school students in the Great Neck Public Schools (GNPS) community, offering:

- A Safe and Caring Environment for children after school.
- Academic Support with tutoring, reading, math activities, and computer instruction.
- Creative Enrichment through art, music, and Scouting programs.

The Impact:

- 75% of students graduate from high school.
- 90% of graduates continue on to college.

How You Can Help:

VOLUNTEER

High school students can earn volunteer hours and make a lasting impact by mentoring and supporting younger children. Develop leadership, communication, and problem-solving skills while changing lives.

DONATE

Adventures in Learning operates on a tight budget and relies on community generosity. Together, we can ensure no child is left behind. Help us give these children the opportunity to succeed.

YOUR SUPPORT MATTERS!

The need is urgent: 90% of the children served live at or below the poverty line, making them one misfortune away from homelessness.

Help us give these children the opportunity to succeed. Make it your mission to empower Great Neck's children. Let's build a brighter future—together!

This is not district-sponsored. We are a certified/registered 501(c)(3) not-for-profit organization.
