# School Annual Education Report (AER) Cover Letter

Jan 16, 2023

Dear Parents and Community Members:

We are pleased to present you with the 2022-2023 Annual Education Report (AER), which uses data from the 2021-2022 school year to provide information on the educational progress for our school. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the Instruction and Student Services Department for assistance.

The AER is available for you to review electronically by visiting [www.kalamazoopublicschools.com](http://www.kalamazoopublicschools.com) under the Explore KPS tab, or you may request a paper copy to review by contacting Instruction and Student services at 337-0186.

Schools were identified for performance labels based on previous years' data as defined in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

For 2021-2022, our school was identified as an Additional Targeted Support school.

This report also contains additional information required by state law. Please contact me if you have any questions regarding this information or your child's education experience.

**It should be noted that state testing data for Spring 2021 are not available because of the interruption in education due to COVID-19. We continue to work at our school to meet the needs of our students in partnership with you. Information contained in this report describes some of the many initiatives we have put into place to accomplish this goal.**

Sincerely,

Mr. Chris Aguinaga  
Principal

## School Improvement Plan Status

In the wake of more than a year of remote learning, in response to the COVID-19 pandemic, Kalamazoo Public Schools had developed a three-year plan for accelerating learning. The [KPS Acceleration Plan](#) is a comprehensive school improvement framework, built upon research and community stakeholder input. The plan is centered around four focus areas :

Student, Family, and Educator Well-being is well documented in educational research (Child Development, Jan. 2011). Attainment of social-emotional skills is tightly linked to whole-child well-being and positive academic outcomes. Engaging students, families, and educators with the common goal of providing safe and healthy learning environments, through participation in carefully selected activities, supports the well-being of the school community as a whole.

Assessing, Monitoring, and Evaluating Needs as part of a robust Multi-Tiered System of

Supports (MTSS) enables school staff to target academic and social-emotional supports to meet the needs of students in a proactive manner (Bernhardt, 2018). School staff will use universal and targeted assessments to inform decision-making related to meeting students' varying needs.

Equity, Access, and Targeted Instruction is a commitment to continue to engage in critical conversation around current practices to ensure that Kalamazoo Public Schools is living up to its philosophy, “Every Child, Every Opportunity, Every Time.” Engaging students with a strengths-based approach to learning and growing builds on success as a stepping stone to accelerating learning (Clay, 2019).

Through Leveraging Community Partnerships, Kalamazoo Public Schools is planning several activities to support student needs. Effective community partnerships have long been recognized as a vehicle for promoting positive communication, interaction, and growth within the greater school community (Epstein, 2018). The district recognizes that it “takes a village” to raise our children. The Kalamazoo community continues to work closely with the district to meet the needs of the students. These partnerships will continue to grow and expand for the needs in the transition.

Additional details on the specific of the [KPS Acceleration Plan](#) specifics can be found on the Kalamazoo Public Schools Website.

## Advanced Placement/College Equivalent Courses

We offer a variety of advanced placement courses for students. Each spring, students are given the opportunity to take the advanced placement test to receive college credit for the course. Please refer to the current Bulletin of Courses for complete information on the different courses offered.

2021-2022	44	2.4%

## Curriculum

### Overview of District Curriculum

The high school curriculum for KPS is designed to offer challenge, richness and high academic achievement. The curriculum is based on performance standards aligned to the Common Core State Standards, as well as best practices in teaching for learning. Emphasis on mastery of core subjects prepares students well for both post-secondary education and the changing work force of the future. Opportunities are also available to students for an in-depth study in areas of specific interest. In addition, Kalamazoo Area Mathematics and Science Center (KAMSC) offers advanced study in math and science. Alternative educational pathways are available. Enrichment opportunities are provided through the many Advanced Placement courses as well as elective courses including Fine Arts, Work Experience, Technology, and World Languages. Exciting off-campus courses are available through Education for the Arts, Education for Employment, and at local colleges and universities. For more information on the Common Core State Standards or implementation of the KPS curriculum, please visit the following websites:
