

BRICKS 4 KIDZ PRESENTS...

LEGO® SPRING AFTERSCHOOL CLASS

At Valrico Academy!

Bricks 4 Kidz wants everyone to know just how AWESOME LEGO® can be! In our NEW Spring After School LEGO® class, your child will learn science, technology, engineering, math and the arts with a different LEGO® model build theme each week, such as Outer Space, LEGO® City, Among Us, Roblox, Minecraft, Pokémon, Superheroes, and much more! Your Master Builder will have a chance to create motorized models, 3D color brick builds and our LEGO® Mosaics! Have fun building LEGO® Imposters from Among Us, a 3-D LEGO® Captain America, or Steve from Minecraft, all out of LEGO® bricks! Explore the legend of Ninjago Spinjitzu one week, and build Baby Yoda the next! Can't decide which you like more?! Join us for this AWESOME After School class and try them all! DONT MISS THE FUN!
