

# Summer Reading Chart

NAME: \_\_\_\_\_

Keep a record when you read  
for your Summer Book Club.

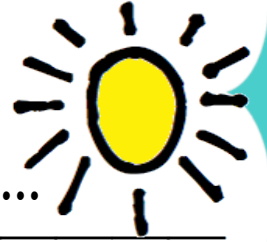

| Title of my Book | Minutes<br>Spent Reading | Date |
|------------------|--------------------------|------|
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |
|                  |                          |      |

BY YVONNE DIXON

# Summer Reading Journal

NAME: \_\_\_\_\_

This book makes me think about...

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line. There are ten sets of these lines for writing.

Thank you for downloading my:

## **"Summer Book Club" Reading Response Freebies**

I hope your students and your  
parents find these resources  
helpful for summer reading fun!  
Please check on TPT for my  
"Summer Book Club" packet!  
God Bless and Happy  
Teaching!—Yvonne Dixon
