### Request for Proposal (RFP)

### For Chain Link Fence Installation with Anti-Scaling Top Rails and Barbed Wire

---

#### Project Overview:

NISD is requesting bids from qualified contractors for the installation of approximately 150 yards of 6-foot chain link fencing with anti-scaling top rails with barbed wire. The contractor will be responsible for providing all materials, labor, and necessary equipment for the successful completion of the project.

#### Bid Deadline:

All bids must be submitted by **February 7, 2025** by 5:00 PM (local time).

#### Scope of Work:

1. Clear and prepare the fence line
2. Remove the existing fence
3. Installation of approximately **150 yards** of 6-foot chain link fence.
4. The fence must include **anti-scaling top rails** designed to prevent climbing or tampering.
5. The fence must be equipped with **barbed wire** along the top for added security.
6. The contractor must ensure that the work meets all local safety, building, and zoning codes.
7. All necessary permits, if applicable, must be obtained by the contractor.

#### Bid Requirements:

- **Mandatory On-Site Visit:**

All contractors must schedule and attend an on-site visit with a school representative to discuss the project scope.

- Failure to attend the on-site visit will result in disqualification from the bidding process.
- To schedule the on-site visit, please contact Dr. Larry Gajewsky at 361-575-6882.
- The visit should be scheduled no later than **January 30, 2025**.

**Submission Requirements:**

To be considered for the contract, bidders must submit the following documents:

1. A completed bid form, including a total cost breakdown.
2. Proof of contractor qualifications, including experience with similar projects.
3. A copy of the contractor's insurance certificate.
4. A project timeline from start to completion.
5. Proof of required permits and licenses (if applicable).
6. Contact information for at least three references related to similar fence installation projects.

**Bid Evaluation Criteria:**

Bids will be evaluated based on the following criteria:

- Total cost of the project
- Contractor experience and qualifications
- Proposed timeline
- References and past performance
- Adherence to project specifications

**Project Timeline:**

- **On-Site Visit Deadline:** January 30, 2025
- **Bid Submission Deadline:** February 7, 2025
- **Contract Awarded:** On or about February 14, 2025
- **Expected Project Completion:** Must be completed by March 15, 2025
- **Full payment for materials and labor will be paid Net 15 when work is completed.**

**Additional Information:**

- The contractor is responsible for maintaining a clean and safe work site during construction.
- The contractor must ensure that the work is completed in a timely manner, following safety protocols and industry standards.
