Minutes 2/26		Minutes approved		
Minutes	Janel/ Becky	<p>Janel reported the district incidents. She reported that there is not one specific school that has the majority of incidents. They were in several schools. We were interested to see if there was one specific school that we would need to focus on.</p> <p>Question brought up when a staff member says they are injured in Alma, does this connect with the program Janel uses. It does not connect. She uses Primex only for First Report of Injury, not Alma.</p>		
	Becky	<p>We discussed walkie talkies and who has them in the schools. At MRMHS we want to be consistent and it has been brought up that our at risk counselors do not have them and should they. Our Division Leaders have them but only use when we are doing drills or an emergency.</p> <p>Troy School - beh. para</p>
