

NOTRE DAME HIGH SCHOOL

OFFICE OF THE PRINCIPAL

Notre Dame Family,

On the Feast Day of the Epiphany, the Lord was revealed to the kings by the light of a star. In the same way, we must reveal the Lord in our lives by acts of light, not for our own glory, but for the glory of the Lord. As Christians, this should be our resolution; where in my life am I truly demonstrating the Lord and where in my life am I hiding him from others. As we start this new calendar year, perhaps this is a good time to reflect and remove those things that keep us away not only from the Lord, but also from our neighbor. These things may be anger, resentment, hatred, jealousy or pride. Do not allow these things to impact you in this life and leave you outside the gates of eternity in the next life.

I would like to congratulate everyone for ending this semester and I pray that all of us had a restful and joyful Christmas break. We are also grateful for all the students from our partner schools who came to our Notre Dame Country Christmas Event. With this in mind, we are preparing for our second Discover ND event at the end of January. This month we are celebrating our Winter Homecoming and Winter Formal Dance. In addition, the Diocese of San Bernardino will be commemorating Catholic Schools during Catholic Schools Week. Notre Dame will be having various events such as Mass, dances, blood drive, guest speaker, praise, worship and adoration, in order to emphasize our Catholic identity. I would also like to announce that Notre Dame has been chosen to be a Jubilee Site for our students and families. We will have more information on these events on our social media and websites.

I like to thank all of you for your prayers and support. Thank you for your patience with all of us who are new, both administrators and teachers. Know that you and your families are always in my daily prayers. As a reminder, the ultimate goal of our lives is heaven and that we are made good, beautiful and holy because we are made in God's image and likeness. Together, We are ND!

Manuel Cardoza
Principal, Notre Dame High School
