Discover your future with CLAOC

College Career Experiences

CLA OC | CEO Leadership Alliance Orange County

Who We Are

We're the CEO Leadership Alliance Orange County (CLAOC) — a group of 60 top OC companies led by CEOs with a vision for a thriving future. Our mission? To empower college students like you to launch successful, fulfilling careers through hands-on learning and industry connections.

Why Choose Our Programs?

In partnership with leading member companies, we offer unmatched micro-internship experiences designed to boost your resume and give you a real taste of the professional world. Here's what makes our programs stand out:

- Hands-on Projects: Work on meaningful tasks that make an impact.
- Skill Building: Gain essential professional skills and valuable industry insights.
- Networking Opportunities: Connect with industry pros and expand your network.
- Career Confidence: Clarify your career goals and get set for success.

Real Results from Past Participants

- 93% clarified their career goals.
