### **Six New Inductees to Enter Madeira's Hall of Fame**

The Madeira High School (MHS) Athletic Hall of Fame inducted six new MHS alumni in its 2024 class on December 6, making a total of 182 Hall of Fame members.

The Madeira High School Athletic Hall of Fame was created by the Madeira Athletic Boosters in 1991 to honor former athletes, coaches, and contributors who have made a positive impact on the athletic program. Inductees are selected by a committee based solely on accomplishments while at Madeira High School.

The 2024 inductees are Bryan Cummings '02, Cody Kuzniczci '11, Cassandra Nieman '14, Sofia Sotelo '04, Jill Trenz '04, and John Michael Wyrick '13. A Meet and Greet and a dinner was held before the Induction Ceremony at the Madeira Varsity basketball game that evening.

The Madeira Athletic Boosters provide funds to support over 400 Madeira middle school and high school athletes each year. Aside from the Hall of Fame, they sponsor an annual Booster Palooza to kick off the fall athletic season. For information about the Hall of Fame and a video featuring the new inductees see the Athletics tab at [www.madeiracityschools.org](http://www.madeiracityschools.org).
