CAREER EXPLORATION EXPERIENCE

SUMMER 2025

CLA CEO Leadership Alliance Orange County

Why should your student participate in an internship?

Higher starting salaries after college

170% more likely to secure a job

Higher lifetime earnings

Does your student feel unsure about what career path to pursue?

Our Career Exploration Experience is designed to provide high school juniors with a valuable opportunity to explore careers, gain skills, and build confidence. This 6-week micro-internship allows students to work directly with the CLAOC team and professionals from one of our host companies.

Here's what the program offers:

- **Supportive Environment:** Coaching and small-group activities to boost personal and professional growth.
- **Hands-On Career Exploration:** Introduction to different careers and professionals at one of our host companies.
- **Collaboration and Networking:** Work with peers from across Orange County
- **Access to Ongoing Support:** Continued opportunity to work with CLAOC in college and beyond
- **Financial Incentive:** $500 stipend upon completion of the program
