Veteran's Day Assembly

Mrs. Yates once again organized our Veteran's Day Assembly. Our distinguished guest speaker, a graduate of Emmett High School flew onto our campus in a helicopter. Edward Barnowski left our students with many important messages and filled the gymnasium with a lot of pride and respect for those who serve in the armed forces. I want to send out a huge thank you to Mrs. Yates, our student council kids, and all of the others who made our Veteran's Day Assembly such a success.

Communication Platform

With guidance from Amanda Weers and several staff members throughout the district, we will be moving toward one consistent communication platform. At the secondary level, this will have a positive impact on our sports teams and clubs. Currently, each coach uses their own method of communicating with their athletes. This could be in the form of an application that the coach downloaded or it could be in the form of text messages. Regardless, our goal is to move to one platform that will be transparent and will also allow our coaches to effectively communicate with our students.

Winter Sports

Our winter sports are in full swing. Our girls' basketball team has already played a couple of games and our boys' basketball team has played one game thus far. Our wrestling team will soon be starting their matches so please come out and support our student athletes. Below is a list of our contests from now until Christmas Vacation.
