★
★ IXL Math Data some 1st-5th

★ **Behavioral/PBIS Updates -**

- PBIS team is still working on the cafeteria updates and looks forward to hearing more about the community school grant funding opportunity for increased student culture

★ **Events Past/Upcoming**

- 3rd and 4th grade students performed for the school their Christmas concert with a rocking performance. Parents are going to love this performance. Most of the students had speaking parts and played some role besides belting out the songs.
- Looking forward to the Awards Ceremony for 1st Semester Awards and then the Christmas music sing along on Thursday before leaving for Christmas break.
- GCEA Cheerbaskets - what an undertaking, the team of folks that are making this happen this year is utterly incredible. I am thankful for the opportunity to see how this works and everyone that helps out. Hopefully all the schools will get a chance to see how wonderful our community is about giving back.

★ **Staff Highlight Certified/Classified**

- Katie Walton for running the PBIS team and several other things as she learns more about administration through her work on her masters. She is helping step in and support the positive work we are doing at Carberry.
