### **Boockmeier Named Preble Varsity Football Coach**

Green Bay Preble removes the interim tag and officially names Brad Boockmeier as the Head Varsity Football Coach at Green Bay Preble High School.

Boockmeier has been a math teacher at Green Bay Preble High School since 2017. He received his bachelor's degree in Mathematics Education from St. Norbert College where he was a four year letter winner in two sports, football and track & field.

Boockmeier began his coaching career as the JV2 football assistant coach at Preble High School in 2017. Over the past eight years, he has coached football at various positions with last season serving as the Interim Varsity Head Coach for Preble. Boockmeier has also been part of the coaching staff for basketball and track at Preble for the past seven years

“Brad has the passion, commitment and energy to take on the challenge of leading our football program” said Tim Flood, Activities Director for Green Bay Preble High School. “One of the strengths that Brad has shown over his years at Preble is his ability to create relationships with students and the positive impact he has on them. We are excited to have Brad as our new head coach.”

“Coach Boockmeier laid groundwork within our football program this past season. Coach continues to demonstrate his unwavering commitment to our student-athletes and school community. His work ethic, visibility, and critical reflective nature are qualities that you look for when entrusting a coach to propel a program to the next level. Our student-athletes are equally eager and committed to the process which will undoubtedly result in success both on and off the field,” said Courtney Kuehn, Principal of Green Bay Preble High School.
