

Important Information

This Guide will give you an overview of the benefit plans we sponsor. You will need to make decisions about your 2025 benefit elections.

Enrollment

Each year in the fall, you have the opportunity to review or make changes to your current elections during the open enrollment period. Human Resources will communicate any plan changes, rates, and provide instructions on how to make changes to your benefits during this time. Changes made during Open Enrollment will be effective January 1.

Open Enrollment

During this period you may add, drop, or modify coverage. You will be locked into the plan selections from January 1 through December 31, unless there is a qualifying change in status event (marriage, divorce, birth, adoption or change in custody of a child, death of a dependent, change in employment status). All changes must be made within 30 days of the event.

New Hire Enrollment

Initial Enrollment in Rochester Community Schools benefit plans must be completed by the date established in your new hire orientation, and no later than 30 calendar days from date of employment. Once you make your elections, coverage will remain in effect through the end of the plan year, December 31, unless you have a qualified change in status event. If you do not experience a change in status event, you must wait until the next annual open enrollment period to make changes.

Flexible Spending Accounts

Flexible spending accounts (FSAs) provide a way to pay for qualified health care and dependent care expenses with pre-tax dollars. There are two types of accounts available: a Health Care Reimbursement Account (HCRA) and a Dependent Care Reimbursement Account (DCRA), which are administered by **BASIC**. You may enroll in one or both of these accounts each year.

How Do Flexible Spending Accounts Work?

You decide on an amount that will cover your expected out-of-pocket health and/or dependent care expenses during the plan year, which runs from January 1 through December 31. The total amount you elect will be deducted in equal amounts, on a pre-tax basis, from the number of paychecks you receive during the plan year.

When you use your FSA debit card to pay for an eligible health care expense, the claim is paid immediately from your HCRA with pre-tax dollars. Similarly, if you pay out-of-pocket for an eligible expense and then submit a claim form for reimbursement, your reimbursement is not taxed. A list of eligible expenses can be found in IRS Publication 502 at www.irs.gov.

Please note: If you contribute to a DCRA, you must file IRS Form 2441 with your federal income tax return. Form 2441 is simply an informational form on which you report the amount you paid, and who you paid, for dependent care services.

	HCRA	DCRA
Account Purpose	To pay for eligible medical, prescription drug, dental, vision and hearing expenses not covered by another health plan.	To pay for eligible child care and dependent care expenses that allow you (and your spouse, if applicable) to work or attend school full-time
Maximum Annual Contribution per Plan Year (January 1—December 31)	\$3,000	\$5,000, or \$2,500 if married and filing separate tax returns
Access to Funds	You have immediate access to your entire HCRA election as of January 1. You may be reimbursed up to your annual election amount at any point during the plan year, even if you have not yet contributed that amount to your FSA via payroll deductions.	You can only be reimbursed up to the balance you currently have in your DCRA.

Basic Life/AD&D

The District provides a Basic Life and AD&D benefit of \$40,000 to employees working 30+ hours per week. If you opt-out of Medical coverage through the District, you will receive an additional Life and AD&D benefit of \$50,000 (for a total of \$90,000 of coverage). Rochester Community Schools pays the full cost for this coverage. Accidental Death and Dismemberment (AD&D) insurance pays an additional benefit if your death is a result of an accident. You may also receive a portion of the benefit for other losses (limb, eyesight, etc.) if the loss is a direct result of an accident. Your coverage is insured by **The Standard**.

Benefits reduce based on age and terminate at retirement. Coverage effective dates and increases in coverage may be delayed if someone is disabled on the date coverage is scheduled to take effect. Review the carrier booklet for details.

A Note About Imputed Income: Any employee whose company-paid life insurance amount exceeds \$50,000 will have the value of the insurance over \$50,000 applied as imputed income when calculating income taxes. These amounts are taxable to you and will be withheld as payroll tax and will be reported on your W-2. The monthly rate of imputed income is determined by multiplying the age-banded rate by the amount of insurance over \$50,000. These rates are found on Table 1 of IRS Code Section 79. For more information, consult your tax advisor.

Optional Life/AD&D

We offer employees and their dependents the opportunity to purchase Life/AD&D coverage above and beyond what is provided by the District. Optional Life/AD&D coverage is also insured by **The Standard**.

Evidence of insurability is required for coverage above the Guarantee Issue Amounts listed in the chart below. It is also required if you waive coverage when you are initially eligible, and choose to enroll at a later date. Employees can either elect or increase voluntary Life coverage by one increment each year during open enrollment.

Benefits reduce based on age and terminate at retirement. Coverage effective dates and increases in coverage may be delayed if someone is disabled on the date coverage is scheduled to take effect. Review the carrier booklet for details.

*In order for Spouse Life coverage to be elected, the employee must elect Additional Employee Life coverage. Additionally, the Spouse Life coverage cannot exceed 100% of the Additional Employee Life election. When the Employee or Spouse reach age 70, their respective coverage reduces to 50% of the original amount, per the Reduction In Insurance schedule.

Employee	\$10,000 increments up to \$500,000 Guarantee Issue Amount: \$200,000
Spouse*	\$10,000 increments up to \$150,000 Guarantee Issue Amount: \$50,000
Children	\$2,500 increments up to a maximum of \$10,000 Guarantee Issue Amount: \$10,000

Notice of Continuation Rights

In the event your Life and AD&D insurance coverage ends, you have 31 days from that date to apply for continuation of that coverage, so you may maintain some level of benefit by paying the premium directly to the carrier.

Please refer to the Life and AD&D benefit books, for additional information and instructions on how to apply for continuation. Depending on your situation, you may not be eligible for all continuation options. It is also possible that your premium for coverage continuation will be different from what you pay as an employee of Rochester Schools.

The Life Services Toolkit

Resources and Tools to Support You and Your Beneficiary

Group Life insurance through your employer gives you assurance that your family will receive some financial assistance in the event of a death. But coverage under a group Life policy from Standard Insurance Company (The Standard) does more than help protect your family from financial hardship after a loss. We have partnered with Health AdvocateSM to offer a lineup of additional services that can make a difference now and in the future.

Online tools and services can help you create a will, make advance funeral plans and put your finances in order. After a loss, your beneficiary can consult experts by phone or in person, and obtain other helpful information online.

The Life Services Toolkit is automatically available to those insured under a group Life insurance policy from The Standard.

Services to Help You Now

Visit the Life Services Toolkit website at standard.com/mytoolkit and enter user name "assurance" for information and tools to help you make important life decisions.

- **Estate Planning Assistance:** Online tools walk you through the steps to prepare a will and create other documents, such as living wills, powers of attorney and advance directives.
- **Financial Planning:** Consult online services to help you manage debt, calculate mortgage and loan payments, and take care of other financial matters with confidence.
- **Health and Wellness:** Timely articles about nutrition, stress management and wellness help employees and their families lead healthy lives.
- **Identity Theft Prevention:** Check the website for ways to thwart identity thieves and resolve issues if identity theft occurs.
- **Funeral Arrangements:** Use the website for guidance on how to begin, to educate yourself on funeral costs, find funeral-related services and make decisions about funeral arrangements in advance.

If you are a recipient of an Accelerated Death Benefit,¹ you may access the services for beneficiaries outlined on the next page.

Services for Your Beneficiary

Life insurance beneficiaries² can access services for 12 months after the beneficiary receives the Life claim letter from The Standard. Recipients of an Accelerated Death Benefit can access services for 12 months after the date of payment.

These supportive services can help your beneficiary cope after a loss:

- **Grief Support:** Care Managers with advanced training are on call to provide confidential grief sessions by phone or in person. Your beneficiaries are eligible for up to six face-to-face sessions.

Our Care Managers may offer your beneficiaries additional grief support through support kits sent to their home, based on each individual's needs. As part of this program, age-appropriate books can be sent for children and teens.
- **Legal Services:** In addition to online estate planning tools, your beneficiaries can obtain legal assistance from experienced attorneys. They can schedule an initial office visit or a telephone consultation for up to 30 minutes with a network attorney. Beneficiaries who wish to retain a participating attorney after the initial consultation receive a 25% rate reduction from the attorney's normal hourly or fixed-fee rates.
- **Financial Assistance:** Your beneficiaries can schedule up to 30-minute telephone sessions with financial counselors who can help with issues such as budgeting strategies, and credit and debt management.
- **Support Services:** During an emotional time, your beneficiaries can receive help planning a funeral or memorial service. WorkLife advisors can guide them to resources to help manage household repairs and chores, find child care and elder care providers or organize a move or relocation.
- **Online Resources:** Your beneficiaries can easily access additional services and features on the Life Services Toolkit website for beneficiaries, including online resources about funeral costs, find funeral-related services and make decisions about funeral arrangements.

Beneficiaries can participate in phone consultations or in-person meetings with trained grief counselors.

For beneficiary services, visit standard.com/mytoolkit (user name: support) or call the assistance line at **800.378.5742**

Long-Term Disability

We offer a Long Term Disability (LTD) plan to provide income to employees who are disabled for an extended period of time. Rochester Community Schools pays the full cost for this coverage. This coverage is insured by **The Standard**.

Your coverage effective date or any increase in coverage may be delayed if you are disabled on the date coverage is scheduled to take effect. Please review the carrier booklet for details.

Item	LTD Benefit
Monthly Benefit	66.67% of earnings to a monthly maximum of \$2,100
Elimination Period	364 days
Benefit Period	Benefits are payable up to age 65. Benefits are limited to 24 months in a person's lifetime for mental illness conditions and self-reported symptoms unless you are confined to a hospital.
Definition of Disability	Disability is the inability to perform the substantial duties of your regular occupation due to injury or sickness during the elimination period and the next 24 months. After this period, it is the inability to perform the substantial duties of <i>any</i> occupation which you are qualified by education, training or experience.
Pre-existing Conditions	Benefits aren't payable for a disability that is caused by, or contributed to by a pre-existing condition, if the disability starts before the end of your first twelve months of coverage. A sickness or injury is pre-existing if, during the three months before your coverage effective date, you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines.

Are you aware of your 403(b) benefit?

THE OPPORTUNITY

You have the opportunity to save for retirement by participating in your Employer's 403(b) retirement plan. A 403(b) plan is a retirement plan for certain employees of public schools, tax-exempt organizations and ministries.

We recommended that all employees visit our education page which can be found here: <https://www.omni403b.com/Employees/Education>

WHY SAVE WITH 403(b)?

- > You do not pay income tax on allowable contributions until you begin making withdrawals from the plan, usually after your retirement.
- > Investment gains in the plan are not taxed until distributed.
- > Retirement assets can be carried from one employer to another in most cases.

Future retirement savings value assuming 6% growth.

Monthly Contributions	5 Years	15 Years	20 Years
\$50	\$3,489	\$14,541	\$23,102
\$200	\$13,954	\$58,164	\$92,408
\$500	\$34,885	\$145,409	\$231,020

HOW CAN I PARTICIPATE?

Prior to contributing you must open an account with an investment provider participating in the Plan, a list of which is available on the right. You may then complete a Salary Reduction Agreement (SRA) at:

<https://www.omni403b.com/SRA>

If you are already contributing to your Employer's Plan and you want to change your contribution amount or investment provider, simply complete and submit a new SRA. You can begin or change your contributions as soon as your next payment cycle following our receipt of a completed SRA.

HOW MUCH CAN I CONTRIBUTE ANNUALLY?

In 2022, you may contribute up to \$20,500 if you are 49 years of age and below and up to \$27,000 if you are 50 years of age and over. Your plan may also permit additional catch up provision. Please contact OMNI's Customer Care Center at **877-544-6664** for further details.

Employee Assistance Program

An Employee Assistance Program (EAP) provides access to assistance and services that are available to aid in managing work, family, health or other personal issues. This program is provided by **HelpNet** at no cost to you! When you or your family members need helpful guidance, counseling, local resources or reliable professional care, the EAP program is just a phone call or click away. Services are available on a live basis 24/7, and your use of this service and **the information you share is confidential**, except when your safety or the safety of another individual may be at risk or as required by law. Here are just some of the services you may receive:

- **Legal consultation**—support with personal legal concerns
- **Parenting**—receive guidance on child development, sibling rivalry, separation anxiety and much more
- **Child Care/Elder Care**—find a place that’s right for you and your family
- **Education & Schooling**—Learn about college testing, admissions, financial aid and advice to help your child get admitted to the school they want to attend.
- **Online resources** —access to extensive content to help with personal or family concerns, retirement planning tools and more.

Your program includes brief counseling sessions. However, for problems that require more time, you may be referred to a community professional that can further assist you.

Family & Medical Leave of Absences

Employees are required to notify HR if they will be absent for more than five (5) full consecutive days in order for a determination to be made as to whether the absence qualifies under the FMLA. Approved FMLA begins on the first day of the absence. FMLA is unpaid time off. Paid time is determined by individual employee contracts.

Employees may take a leave of absence for one of the following reasons:

- Birth of employee's child and to care for newborn child;
- Placement of a child with employee for adoption or foster care;
- To care for spouse, child or parent who has a serious health condition;
- When the employee's own serious health condition renders the employee capable of performing the functions of his/her job;
- Military Family Leave Entitlements (see Department of Labor website)

If the employee is not eligible for FMLA leave, they may request a personal or medical leave of absence. Medical and personal leave of absences requires the employee to follow the same instructions and provide the same documentation.

Step 1: Eligibility Requirements

To be eligible for FMLA, employees must have been employed by Rochester Community Schools for at least 12 months and worked 1,250 hours during the 12 month period preceding the commencement of the leave.

Step 2: Required Paperwork

Employees are asked to submit the Request for Leave of Absence to the HR Benefits Coordinator as soon as possible to begin the leave process. A meeting to discuss the leave of absence is recommended 30-60 days prior to first date of leave. A Certification of Healthcare Provider must be completed and returned 30 days prior to leave, if foreseeable.

Step 3: Notice of Eligibility and Rights & Responsibilities

If the employee does or does not meet the requirements for FMLA, the HR Benefits Coordinator will provide the Notice of Eligibility and Rights & Responsibilities paperwork to the employee within 5 days of when the employee submitted the FMLA paperwork.

Step 4: Designation Notice

The HR Benefits Department will provide the employee with a Designation Notice for the following reasons:

- Certification of Healthcare Provider has been received and FMLA is approved
- Employee needs to provide additional clarification to determine if the event qualifies under FMLA
- The event does not qualify for FMLA and is not approved
- Your have exhausted your FMLA leave entitlement in the applicable 12 month period

Step 5: Staff member's return from Leave of Absence

All employees are required to submit a "release to work" from their health care provider. This doctor's note needs to be submitted to the HR Benefits Department prior to the employee's first day back to work.

Paperwork and information is available at

Summary of Material Modification

The information in this document and in the benefit guide applies to the Rochester Community Schools. This information meets the requirements for a Summary of Material Modification as required by the Employee Retirement Income Security Act (ERISA).

Disclosure About the Benefit Enrollment Communications

The benefit enrollment communications (the Benefit Guide, etc.) contain a general outline of covered benefits and do not include all the benefits, limitations and exclusions of the benefit programs. If there are any discrepancies between the illustrations contained herein and the benefit proposals or official benefit plan documents, the benefit proposals or official benefit plan documents prevail. See the official benefit plan documents for a full list of exclusions. Rochester Community Schools reserves the right to amend, modify or terminate any plan at any time and in any manner.

In addition, please be aware that the information contained in these materials is based on our current understanding of the federal health care reform legislation, signed into law in March 2010. Our interpretation of this complex legislation continues to evolve, as additional regulatory guidance is provided by the U.S. government. Therefore, we defer to the actual carrier contracts, processes and the law itself as the governing documents.

Midyear Election Changes to Pre-Tax Benefits

We sponsor a program that allows you to pay for certain benefits using pre-tax dollars. With this program, contributions are deducted from your paycheck before federal, state and Social Security taxes are withheld. As a result, you reduce your taxable income and take home more money. How much you save in taxes will vary depending on where you live and on your own personal tax situation.

These programs are regulated by the Internal Revenue Service (IRS). The IRS requires you to make your pre-tax elections before the start of the plan year [January 1 – December 31]. The IRS permits you to change your pre-tax contribution amount mid-year only if you experience a change in status, which includes the following: Birth, placement for adoption, or adoption of a child, or being subject to a Qualified Medical Child Support Order which orders you to provide medical coverage for a child.

- Marriage, legal separation, annulment or divorce.
- Death of a dependent.
- A change in employment status that affects eligibility under the plan.
- A change in election that is on account of, and corresponds with, a change made under another employer plan.
- A dependent satisfying, or ceasing to satisfy, eligibility requirements under the health care plan.

The change you make must be consistent with the change in status. For example, if you get married, you may add your new spouse to your coverage. If your spouse's employment terminates and he/she loses employer-sponsored coverage, you may elect coverage for yourself and your spouse under our program. However, the change must be requested within 30 days of the change in status. If you do not notify Human Resources within 30 days, you must wait until the next annual enrollment period to make a change.

These rules relate to the program allowing you to pay for certain benefits using pre-tax dollars. Please review the medical booklet and other vendor documents for information about when those programs allow you to elect or cancel coverage, add or drop dependents, and make other changes to your benefit coverage, as the rules for those programs may differ from the pre-tax program.

HIPAA Special Enrollment Rights

Rochester Community Schools Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Rochester Community Schools Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact David Murphy - Director of Human Resources & Employee Relations at 248-726-3118 or DMurphy@rochester.k12.mi.us.

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

Women's Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the following deductibles and coinsurance apply:

Plan 1: BCBSM—PPO (Individual: 90% coinsurance and \$1,000 deductible; Family: 90% coinsurance and \$2,000 deductible)

Plan 2: BCBSM—HDHP (Individual: 100% coinsurance and \$1,650 deductible; Family: 100% coinsurance and \$3,300 deductible)

If you would like more information on WHCRA benefits, please call your Plan Administrator at 248-726-3118 or DMurphy@rochester.k12.mi.us.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –

Notice of Creditable Coverage

Important Notice from Rochester Community Schools

About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Rochester Community Schools and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Rochester Community Schools has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan while enrolled in Rochester Community Schools coverage as an active employee, please note that your Rochester Community Schools coverage will be the primary payer for your prescription drug benefits and Medicare will pay secondary. As a result, the value of your Medicare prescription drug benefits will be significantly reduced. Medicare will usually pay primary for your prescription drug benefits if you participate in Rochester Community Schools coverage as a former employee.

You may also choose to drop your Rochester Community Schools coverage. If you do decide to join a Medicare drug plan and drop your current Rochester Community Schools coverage, be aware that you and your dependents may not be able to get this coverage back.

Legal Notices

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Rochester Community Schools and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Rochester Community Schools changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage Notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
