

## **Autism Internet and Social Media Safety**

### **A Free Workshop**

**February 20, 2025**

**6:00pm-7:30pm**

**Fisher Middle School**

**1325 Lower Ferry Road**

**Ewing, NJ**

While there are so many benefits to the internet, we also need to consider the risks such as cyber bullying, exposure to explicit content, privacy breaches, scams, and other online enticement and exploitation. These risks can lead to face-to-face meetings and victimization. There is much we can do to significantly decrease risk and keep our autistic children and adults safer online.

This session will cover specific strategies for:

- ▶ Talking to Your Child/Student About Internet Safety
- ▶ Setting Rules and Boundaries
- ▶ Managing Risk Including Safety Measures to Implement on the Device and with Your Child/Student
- ▶ Choosing Content
- ▶ Resources- Incredible Great Concrete Tools/Lessons
