

We are excited to announce that online payment is now available for Pre-K tuition! While you can still make payments in person or by mailing a check, we are pleased to offer the convenience of paying tuition online.

To make an online payment, follow these steps:

1. Log in to the [PowerSchool Parent Portal](#) using an internet browser (please do not use the app).
2. Select the **“Pay Student Fees”** button located on the lower-left side of the screen.
3. Once you click the button, you will be redirected to our online payment portal.

All students associated with your parent account will appear on the screen. To pay fees for a specific student, click their name. If you have only one student, simply click the shopping cart icon in the top-right corner. Partial payments are also an option.

Please note: A transaction fee of approximately 4% will be applied to all online credit card payments.

We hope this new option makes managing your tuition payments easier. If you have any questions or need assistance, please don't hesitate to reach out to our office.

Thank you for your continued support.
