Combs Center for Success Serving Grades 7-12

Discover Combs Center for Success

Reconnect your student to their educational experience! Our small classes are built on respect, meaningful relationships, and a focus on student success. Recognized as a School of Distinction by the National Alternative Education Association for Exemplary Practices, we provide a personalized education for every student. Offering multiple options and flexible schedules for both face-to-face and online students in grades 7-12, we create a supportive and adaptable learning environment that fosters academic success and personal growth.

- Students earn work experience credit, accelerate their studies, and gain college credits through dual enrollment
- We guide students through college and career readiness by connecting education with career pathways, helping them discover their passions and strengths, setting them up for successful futures
