

Every Fox needs a den. *Welcome to yours!*

A message from your Superintendent, Dr. Zediker

Dear Yorkville Families and Guardians,

What an incredible October it has been! It is that time of year where our students who are participating in fall extracurriculars are preparing for post season play or are concluding their respective schedules. I am proud of how each group has represented Yorkville. No matter what event I attend, our students are showing everyone what it means to be a Fox!

We also held our Teacher Institute in October. This time of year is crucial for our staff to continue honing their skills and sharing best practices, and I am grateful for their commitment to growth as we move deeper into the fall season.

I also want to give a well-deserved shout-out to our talented Yorkville Educational Association (YEA) staff who brought the musical *The Lightning Thief* to life. Your hard work and dedication shone brightly on stage and made our district proud! Additionally, we celebrated an exciting milestone with the inaugural season of our girls' flag football team. The team's enthusiasm and determination led to a fantastic season, and I couldn't be prouder of their accomplishments.

This month was also historic as the district closed on the 110-acre property that will help shape the future of our district as we continue to develop the facilities master plan throughout this year.

As we transition into November, I want to emphasize the importance of our upcoming Parent/Teacher conferences. These meetings are a valuable opportunity for parents and teachers to engage meaningfully in each student's learning and development. Your partnership is essential as we support and enrich our students' educational journey.

I look forward to the next season of activities, learning, and continued success for all. Thank you for your dedication, passion, and partnership as we move forward. Let's keep the momentum going!

Go Foxes!

Dr. Matt Zediker
Superintendent, Yorkville District 115

Facility Improvements

Facilities Listening Tour

The first Facilities Master Plan Listening Session occurred at Autumn Creek Elementary School on October 8, 2024, where staff and community members actively engaged in meaningful discussions. The meeting provided an opportunity for attendees to share their insights and collaborate on the future development of our district's facilities.

Below are the details for upcoming listening sessions regarding the Facilities Master Plan. We encourage you to attend and share your thoughts and ideas—not only about your school but about the district as a whole.

Upcoming School Community Listening Dates:

October 29, 2024:

Bristol Bay Elementary School
427 Bristol Bay Drive
Yorkville, IL 60560
Time: 7:00 P.M.

November 6, 2024

Grande Reserve Elementary School
3142 Grande Trail
Yorkville, IL 60560
Time: 7:00 P.M.

November 14, 2024 *Community At-Large (open to the public)*

Yorkville Middle School
920 Prairie Crossing Drive
Time: 7:00 P.M.

November 19, 2024

Yorkville Intermediate School
103 Schoolhouse Road
Yorkville, IL 60560
Time: 7:00 P.M.

Facilities Master Plan Steering Committee

A Steering Committee has been created to lead, facilitate, and manage the process of collecting all the data and feedback from the listening sessions. The Steering Committee comprises Y115 staff members, Y115 principals, Y115 Board of Education members, community members, and Y115 students. The Steering Committee had its first meeting on Monday, October 21, 2024.

110 Acre Land Purchase

Y115 is excited to share the news that the purchase of the 110 acres of land was closed on Wednesday, October 16, 2024. This new land purchase is the beginning of a very exciting time for the future growth and development of the district and community.

YHS Tennis Courts

The YHS tennis court project is continuing to move forward with planning and development. You will see trucks and dirt moving very soon. Stay tuned for more updates.

Facilities Website Page

A facilities page on the Yorkville CUSD 115 district website will provide ongoing information regarding the development of the district's facilities master plan. The page will be a living document and a repository of meeting dates, press releases, photos, important links to articles, community invitations to listening sessions, Frequently Asked Questions, and more. We ask that you visit the site often to gain insight and perspective as the district progresses. Please visit: [Y115 Facilities Page](#)

November

27-29

Thanksgiving Break - No School

Hot Topics

Superintendent Student Advisory Council *Service* | *Leadership* | *Voice*

Our very first Superintendent Student Advisory Council meeting was hosted at the District Office, on Wednesday, October 23, 2024. Eleven of our SSAC student members in grades ten through twelve discussed and brought up many topics. These topics included Facilities and Operations, Student Schedules, Field Experience, our Dual Language Program, and more! It was very eye-opening and helpful to hear from a student's perspective.

We look forward to working with this student body, to help shape a better future for our District as a whole. Next month, we will dive deeper into facilities and operations and develop activities and events to give back to the community!
