

Every Fox needs a den. *Welcome to yours!*

A message from your Superintendent, Dr. Zediker

Dear Yorkville Families and Guardians,

As the days grow shorter and the crisp air begins to show signs of the holiday season, I am reminded of how fortunate we are to be part of this incredible community. November is a month of gratitude and celebration, and there is so much for us to be thankful for.

This month, we honor our amazing teachers and staff during American Education Week. It is a time to celebrate the countless ways they inspire our students to dream big and reach their fullest potential. Our staff goes above and beyond daily, sparking curiosity, nurturing growth, and shaping futures. I am continually in awe of their dedication and passion for education. In the spirit of appreciation, we launched our Staff Shoutout and Recognition program, where staff can uplift and recognize one another with words of encouragement and praise. It has been heartwarming to see this program flourish, spreading positivity and recognition throughout our district.

It is also that time of year when our athletics and fine arts programs are now transitioning into the winter season. I am excited to support our students and witness their dedication and talents firsthand. Their energy and commitment are contagious, and I know it will be another fantastic winter for our students.

I want to thank everyone for their hard work and collaboration in making this year's Parent/Teacher Conferences a success. Seeing so many engaged parents supporting their children's learning journeys was wonderful. The partnership between our schools and families is vital, and your involvement makes a significant difference.

Our community continues to engage through the Y115 Facilities Master Plan Listening Tours. The participation and thoughtful discussions we have shared have been phenomenal. Your input is invaluable as we plan for our district's future and ensure we continue to meet the needs of our growing community.

As we approach Thanksgiving, I encourage everyone to pause and reflect on what they are most thankful for. This season is a reminder to cherish the moments spent with loved ones and express gratitude for those who make a difference. I am thankful for each of you—our students, staff, families, and community members—who make Yorkville School District 115 such a special place.

Wishing you all a restful, joyful, and safe Thanksgiving break.

Go Foxes!

Facility Improvements

Facilities Listening Tour

The Facilities Master Plan Listening Tour is in full swing. It has already hosted listening sessions at Bristol Bay Elementary School, Grande Reserve Elementary School, Yorkville Intermediate School, and a community session at Yorkville Middle School. I want to thank all of you who have attended these sessions, and I look forward to meeting more of you at upcoming dates.

The listening sessions are designed to engage our community members in meaningful discussions and for attendees to share their insights and collaborate on the future development of our district's facilities.

Below are the details for upcoming listening sessions regarding the Facilities Master Plan. We encourage you to attend and share your thoughts and ideas—not only about your school but about the district as a whole.

Facilities Master Plan Steering Committee

The Steering Committee met on November 18, 2024, to hear and discuss the outcomes of the most recent Listening Tour comments and suggestions. An FAQ will soon be released on the [Y115 Facilities](#) page.

Facilities Website Page

A facilities page on the Yorkville CUSD 115 district website will provide ongoing information regarding the development of the district's facilities master plan. The page will be a living document and a repository of meeting dates, press releases, photos, important links to articles, community invitations to listening sessions, Frequently Asked Questions, and more. We ask that you visit the site often to gain insight and perspective as the district progresses. Please visit: [Y115 Facilities Page](#)
