- 
- Spring '25**- Girls tennis will still occur on the existing courts at Snider
 - Spring '25**-Construction of new tennis courts and parking lot at Lane
 - Spring '25**- Work on the Snider side of campus will begin after the Girls tennis season and Spring Track seasons
 - March 10, 2025**- Board Approval for remaining work
 - Fall '25**- Boys tennis to use new courts at Lane. Parking for this and the Girls Spring '26 season will need to use other Lane / Snider parking (new parking lot will be used for contractor staging)
 - Summer/Fall '25**- Football will still utilize practice field and PE building; Freshman and J/V Football will host “home” games offsite (undetermined at this time)
 - Spring '26**- Boys and Girls Track will utilize offsite practice facility as well host “home” meets offsite (undetermined at this time)
 - Summer '26**- Reed Road Improvements and move crosswalk light to new location
 - Fall '26**- Stadium opens for inaugural Snider Home Football **AND** Soccer Seasons

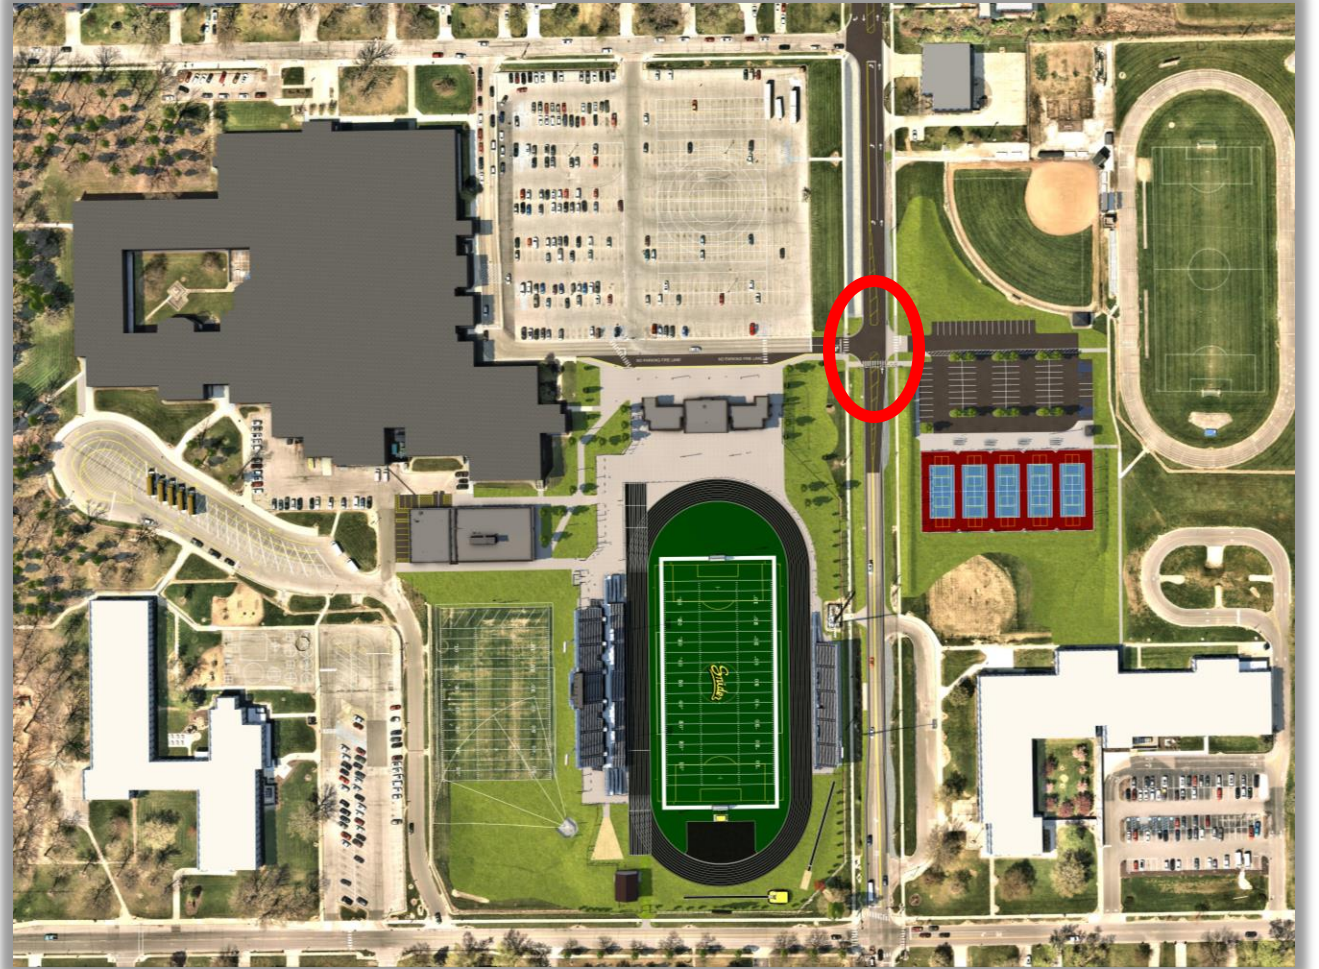

Construction Impacts

- *South parking lot exit restricted Summer 2025, 2026*
- *Reed Road traffic restrictions Summer 2026*

Game Day Traffic Control

- *FWCS is currently working with FWPD on a traffic control plan*
- *Relocation of pedestrian crosswalk*
- *Increased parking capacity from 751 spots to 921 across multiple locations*
