About Me

Colleen Raleigh, LMHC, graduated from Mercyhurst University with a bachelor's in Sociology in 2011 and a master's in Clinical Mental Health Counseling in 2014. Colleen has held various positions working with adolescents from all areas of our community including family court, residential facilities, and community-based programs.

Colleen works per diem in Horizon's Child and Adolescent Program as a Mental Health Counselor and provides off-site services for youth in the Amherst School District. She enjoys working with the families of her patients to ensure positive outcomes. Colleen specializes in trauma-informed care, is trained in EMDR, and strives to see her patients as whole person beyond their struggles. She is an advocate for youth mental and emotional health, and takes a collaborative approach to treatment by including the whole family.
