

Plans are underway for our Summer Prevention/Enrichment Workshops 2025!!

A Unique Summer Program with a Twist!

Sunshine is not just your typical summer camp; the program offers a supportive environment that provides creative arts workshops, special guests, field trips and prevention-focused activities ***that build on and reinforce positive skills/social emotional learning***

Daily Topics include: **Understanding and expressing emotions, building friendships, self-esteem, healthy decisions, anger management, dealing with bullying and teasing and more.**

Programs run July and August; Specific weeks for ages 5 – teens. TBS

Early Bird Registration and Discounts Available
