January 9, 2025

Dear Parents/Guardians:

Norwell Public Schools will be running both half-day and tuition-based full-day kindergarten programs at both the Cole and Vinal Elementary Schools for the 2025-2026 school year. The kindergarten program is open to all Norwell children who will be five years of age before September 1 of each year.

The Norwell School Committee will be setting the tuition rate for full-day kindergarten sections in the coming months. Based on our estimated enrollment numbers, the tuition will not exceed \$4,000.

Typically, we begin the registration process in January for the upcoming school year. However, we are currently transitioning our registration system to the Aspen student information system, which will not be fully implemented until March.

To assist with our planning, we ask that you complete a brief survey to let us know if you intend to register and have your child attend kindergarten in the 2025-2026 school year. The survey can be found on our website at [norwellschools.org/registration/forms](http://norwellschools.org/registration/forms). Your response will help us estimate enrollment numbers for both half-day and full-day kindergarten programs.

Further information will follow from the elementary school principals. Should you have additional questions, please feel free to contact any of us directly. We look forward to welcoming you and your child into the Norwell Public Schools family!

Yours,

***Diane L. Provenzano***
