New Business:

Academic Plan input and feedback:

Principal Bookland will inquire with CAS Winkie on a new position to cover Hawaiian Immersion (Kaiapuni) students within LIS. A parent attendee stated they are currently understaffed and need more teachers to cover additional academic subjects. There are currently about 27 Kaiapuni students at LIS.

Due to projected decline in student enrollment for Fall 2025, Principal Bookland stated that LIS is going to have to unfortunately cut 4 positions for next Fall (One from English, Math, Science and Social Studies). They will also likely do away with white house/blue house among grades and will consolidate due to staffing shortages. She said there are 388 students projected for Fall 2025, down from current enrollment of approx. 437 students.

Evaluation of Meeting:

Council attendees appreciated having more people present at the meeting with more voices being heard. The virtual option provided a chance for others to join the meeting.

Some expressed a wish for faster solutions to handle staffing within the school. The Internet lagged with the virtual option which made it hard to understand the online attendees.

Announcements:

Mahalo to PSTA for the wonderful new space for staff! You rock!
