Dear Parent/Guardian:

UPDATED KEYSTONE SCHEDULE 1/7/2024

The Keystone Exams are end-of-course assessments designed to assess proficiency in the subject areas of Algebra I, Literature and Biology. The Keystone Assessments are used as a graduation requirement as per the Pennsylvania Department of Education Regulation (Act 158).

Your child did not receive a proficient score in one or more of the following Keystone content areas and will need to retake the exam during our scheduled Winter Keystone testing window. If your child does not receive a proficient score they will have to meet an alternate graduation pathway prior to graduation.

Your student will participate in the following highlighted test dates

Algebra Keystone	January 9th & 13th
Literature Keystone	January 14th & 15th
Biology Keystone	January 20th & 21st
Keystone Make-ups	January 16th, 22nd & 23rd

Please encourage your child to take this assessment seriously and put forth their best effort. See the attached letter from the Pennsylvania Department of Education for more information on the Keystone Exams. We thank you in advance for your support.

If you have any further questions, please contact the Guidance Office.

Sincerely,

Mr. Michael Leasure
