Parent & Family Engagement Policy
2024-2025
Dr. Timothy Blackwell, Principal**

The Arden Elementary School Parent & Family Engagement Policy has been developed jointly, agreed upon and distributed to all school stakeholders. Richland One has high regard and much respect for the parents of its students therefore:

The mission is to:

- Involve stakeholders in the Arden Elementary School-Parent Advisory Council, Parent Teacher Organization, and the School Improvement Council to assist with creating school events, reviewing school-wide plans and to work on school improvement projects.
- Encourage families to complete the annual school survey that will assist school staff to make necessary changes that will improve student achievement.
- Inform and encourage families to participate in upcoming school, district and community events, workshops, and seminars.
- Create a welcoming school environment so that families feel comfortable attending school meetings that impact the child's educational success.
- Develop, with the assistance of parents, the School-Parent Compact and Parent and Family Engagement Policy that will be used to build strong and meaningful stakeholders.
- Conduct an annual evaluation of the content and effectiveness of the Family Engagement Policy. Particular attention will be paid to parents who are economically disadvantaged, disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background.

The Arden Elementary Parent and Family Engagement Policy will be presented during the annual Title 1 meetings, School Improvement Council meetings, and Parent meetings. The Title 1 Plan will be available in the school's front office, media center, and on the school's website.
