Dear Parents,

At Horseshoe Drive Elementary, we are very proud of our teachers and feel they are ready for the coming school year to provide your child with a high-quality education. As a Title I school, we must meet federal rules related to teacher qualifications as defined in Every Students Succeeds Act. These rules allow you to learn more about your child's teachers' training and credentials.

Under the law of Every Student Succeeds Act (ESSA), schools that receive Title I, Part A funds are required to notify parents or legal guardians when their child has been taught for four or more consecutive weeks by a teacher who has not met "full state certification and licensure requirements."

According to ESSA, this notification informs you that your child's teacher, [Mr. /Ms. Teacher Name], does not currently meet the requirements for full state certification. Please be assured that this teacher is working towards full state certification and licensing at this time.

Additionally, [Mr. /Ms. Teacher Name] participates in all professional development activities on campus, uses research-based instructional practices in the classroom, and follows the RPSB Curriculum. We are confident in [Mr. /Ms. Teacher Name]'s abilities to teach our students and are supporting his/her efforts to receive full state certification and licensing.

If you have any questions regarding the qualifications of this teacher, please contact Dr. Franklin at 318-0579. Additional information about Louisiana teacher certification and licensure www.teachlouisiana.net.

Respectfully,

Dr. Franklin
