What we do in Key Club:

1. **Helping Others:** Key Club is all about doing good things for the community. If someone enjoys helping people, making a positive impact, and contributing to the community, Key Club is a great fit.

3. **Leadership Opportunities:** Key Club provides a platform for students to develop leadership skills. They can take on roles that challenge them to be productive, efficient, a problem solver, outgoing, and collaborative with peers and adults.

3. **Building a Sense of Responsibility:** Being part of Key Club teaches kids about responsibility and commitment. They learn to manage their time, fulfill their roles in the club, and contribute to the success of projects.
