A Word From the Principal

Dear DCMS Community,

I hope this message finds you refreshed after the winter break and ready to embark on the exciting journey to complete the school year. As we move into 2025, I want to take a moment to reflect on our shared accomplishments and outline our focus areas for the months ahead.

Celebrating Our Achievements

This year, our students and staff have demonstrated remarkable dedication and resilience. Highlights include:

- Our teachers continue to be the beacon of hope and inspiration in Jeffco by opening their classrooms to educators from all over the district as examples of best first instruction.
- Our scholars continue to demonstrate impressive academic growth in all content areas.
- A continued commitment to fostering a safe and inclusive school environment, as evidenced by increased positive feedback from our students and families.

Looking Ahead

The new semester brings fresh opportunities to deepen learning and strengthen our community. Our focus will remain on:

1. **Academic Excellence:** Ensuring every student has access to rigorous, grade-level instruction supported by high-quality teaching practices.
2. **Belonging and Well-Being:** Continuing to build a culture where every student feels valued, connected, and inspired to achieve their best.
3. **Partnerships:** Engaging families and the wider community in meaningful ways to support student success.

Thank you for your unwavering support and collaboration. Together, we can ensure that DCMS remains a place where students thrive academically and socially. Let's make 2025 a year of growth, achievement, and joy for all!

Sincerely,
 Brandon Hall

Winter Student - Parent - Teacher Conferences

Student-Parent-Teacher Conferences will be held on **Wednesday Feb 12 and Thursday Feb 13** from 4:30-8:30 pm

Our winter conferences are optional and are split into two types - **team conferences and individual conferences.**

Team conferences are the priority for winter conferences and are by invitation only. These conferences will already be scheduled with families and those times will be blocked out in the online scheduler for teachers involved.

Teachers will have a limited number of **5-minute** individual conference slots depending on their involvement in Team Conferences. **All winter conferences are In-Person only.**

Beginning Friday Jan 31 please visit the DCMS website to access the Signup Genius for scheduling individual conferences online. Because individual conference slots will be limited, you may need to prioritize which teachers are most important to schedule.

- Due to teachers having a limited number of individual appointments, slots may fill up quickly.
- Have a copy of your student's 2nd Trimester schedule at hand when you enter the Signup Genius for easy reference.

From the Dean

Hello Mountaineers Families:

While we are in a new calendar year, we continue with our expectations begun in August. There is a lot that will happen during the next five months inside and outside the classroom and we appreciate your continued partnership and support with guiding students to positive decision-making. When you have conversations with your student, I encourage you to help your student with reflecting on perspectives, awareness of the impact they have on others and others on them, and how difficult situations can be handled while still being respectful and kind. We all make mistakes, so helping your student understand the importance of, and how to take responsibility for their actions, repair harm, and moving forward with a lesson are important things to discuss as well. If you would like support with any of these discussion topics with your student, please reach out.

Here are some reminders:

Take care of Chromebooks! Under no circumstances should a student hit, punch, kick, throw or pull apart a Chromebook, whether their own or someone else's. The Chromebooks are provided to students to use, and we are seeing significant issues with students believing they are not responsible for the proper care of the device. Please talk with your student about how taking care of their Chromebook as they would their phone or personal device. Fines do happen with intentional destruction or misuse resulting in damage or destruction.

Students are required to have their student ID at lunch. A new ID can be purchased in the main office for \$5. Please ensure your student has their ID every day. The number of students without IDs is impacting the ability to get students through the lunch line efficiently. Students who continue to not have their ID may have school consequences in the second half of the year. Please talk to your student about being responsible at lunch time.

As always, if you have questions or need help with your student, please reach out to teachers, counselors or me. We are here to support your student!

Thank you,
Julia Skillern
Dean of Students
Deer Creek Middle School

Parent Book Study: “The Anxious Generation”

At Deer Creek, we are committed to supporting the well-being and development of our students. Partnering with families is foundational to this vision. We know that guiding children through middle school is hard, and technology doesn't always make it easier. To better understand and address these challenges, Mrs. Walz, Mrs. Vargo and Mrs. Zanetti are excited to invite you to participate in an engaging and enlightening book study on "The Anxious Generation" by Jonathan Haidt. "The Anxious Generation" explores the growing trend of anxiety among today's youth and offers insights into the factors contributing to this phenomenon. Through a blend of research, real-life stories, and practical advice, the book sheds light on how we can support our children.

We intend for this to be an opportunity to discuss shared experiences and challenges when it comes to parenting in the digital age, reflect on the information given in the book, and connect with other families.

We will meet at Deer Creek from 6:00 - 7:30 pm on January 14, 2025. Please join us for our final meeting as we discuss parts three and four. You are welcome to jump in if you have not attended earlier in the fall.

Please fill out this [interest form](#) to receive more communication about this book study.

DCMS will not be providing the book. You may purchase one on Amazon, Target, Barnes & Noble, Audible, or wherever you prefer to purchase books. The audiobook is currently free with a Spotify Premium subscription.

Please reach out to Mrs. Vargo or Mrs. Zanetti with questions.
