

Upcoming Events and Reminder

Jan. 10: Don't forget to check your parent PowerSchool account for your students' current interim grades. The second Trimester runs from November 11, 2024 - February 21, 2025.

Interim reports are scheduled for release Friday, January 10th. Since Creekview uses live reporting through Powerschool you can find your student's progress at any time in the PowerSchool Parent Portal.

Creekview reports progress on Critical Standards using the scale below. Critical Standards are standards that have been identified as essential to students as they progress through the grade levels. While we report on Critical Standards, it's important to note that each subject area has other State Learning Standards that are also taught and assessed. You will not find these additional standards inside of PowerSchool.

To learn more about how to access student progress, review [this document](#) / [this document \(Spanish Version\)](#) If you have questions or concerns please reach out to your child's teachers.

Code	Meaning	Expectations
M+	Mastery Plus	Exceeds grade level expectation and extended learning
M	Mastery	Met grade level expectation of learning target
AM	Approaching Mastery	Approaching grade level expectation of learning target
NY	Not Yet	Not yet approaching grade level expectation of learning target
DNA	Did Not Attempt	Student did not attempt to demonstrate mastery of active learning target
