## IGCSE RESULTS 2020

Congratulations to our wonderful Year 11 students for their amazing (I)GCSE results. They achieved an outstanding 97% A\*\* - C, with 50% of grades being A\*\* - A grade.

They are an excellent group of students and the ones pictured here will all be pushing for 40 points or above at IB as they continue their studies in Swans School with the International Baccalaureate Diploma.

They already have designs on attending top universities and we have high hopes that this will be our best ever cohort going forward. Not only are they talented academically, but they are incredibly active in all aspects of school life, serving as a great example to younger students.
