**Advanced International Certificate of Education Diploma**

- AICE courses are equivalent to IB classes as well as first year college level coursework.
- Over 600 universities in the US accept Cambridge International AS and A Levels.
- All Florida public college award credit for all passing scores on an AICE exam.
- AICE courses offer students an opportunity to pursue a rigorous course of study and prepare them with the skills necessary to become successful college students.
- AICE students have the flexibility to create their own individualized schedule and the ability to participate in academies, activities, and sports programs.

Check out all that NSBHS has to offer!
