X	Mathias Green	X	Nichole Fink	X	James Schnyderite	
X	Gale Husack		Bryan Geist		Tania Stoker	
	Robert Kern		David Hauser		Michael Strohl	
X	Donna Kulp	X	Eric Hill			
X	Natalie Snyder	X	Matthew Link			
X	Angela Williams	X	Christopher Mann			

Also in attendance: Carleen Binder, Tim Weaber, Steven Haas

AGENDA

- Wireless Network Installation Update
 - Nearly 100% complete - Hardware is installed, but we have some final configuration and optimization to complete.
 - All buildings and locations are running on our new wireless network. District Office, Bulldog Stadium, Peters Elementary, Slatington Elementary, Middle School, and High School.
 - Completed the project without causing any network outages.
 - Mr. Haas and Mr. Kreamer volunteered to alter their working hours to complete this project which was a huge help. Miss Snyder covered tech support districtwide in the mornings.
 - Focused on improving network security during the configuration of our new wireless network in addition to increasing network throughput.

- Update on Water Damage to Technology Equipment
 - High School technology equipment received varying levels of dampness.
 - We left the equipment unpowered until the weekend to allow it time to dry.
 - An electronic restoration company arrived on Sunday, September 29th to dry and clean the equipment that was exposed to moisture.
 - Mr. Haas worked closely with the electronic restoration company to assess the damage.
 - Detailed inventory of all equipment was documented.
 - Five pieces of equipment will be replaced immediately:
 - 1 - Interactive Projector
 - 1 - Wireless Access Point
 - 1 - Bose Ceiling Speaker
 - 2 - Extron Amplifiers
 - If anything happens to the documented equipment within two years, we can reopen a claim.
 - Overall, we were fortunate the damage wasn't more extensive.

Next meeting is scheduled for Monday, November 4, 2024
