

Dear Fellow Alums:

I hope you are doing well. I am writing to request your assistance and support to expand the participation, programming, and outreach of the Moses Brown Alumni Association (MBAA). The MBAA funds programs and events that seek to inspire, educate, and connect the broader alumni community. Over the years, the MBAA's positive influence and presence in the community have and will continue to increase with your financial assistance. The Moses Brown alumni community consists of over 5,600 alumni across the globe. Regardless of location, we all remain connected in our shared experience of receiving an education grounded in MB's Quaker values. The MBAA strives to nurture the relationships within our community and celebrate our MB pride.

In this 2024-25 school year, we kicked off with our traditional Newport Polo summer tailgate party with Head of School Katie Titus. The annual MBAA Fall Awards Reception was held at The Hope Club where we recognized the many contributions of Vin Porcaro '83 with the *Karin Morse '79 Service to Alma Mater Award* and Jamie Marshall '15 with the *Outstanding Young Alum Award*. This fall the MBAA also hosted alumni athletic games, local events, and regional events in New York City and Chicago. We're looking forward to the second half of the year, which includes Career Explorations Day—a partnership between the MBAA and the Schoolhouse—and Reunion & Alumni Weekend on May 16-17, 2025, to which all alumni are invited to attend. The year will conclude with a special Providence reception at Dolores Restaurant (*owned by a Moses Brown family*).

While our events and initiatives are held in partnership with the Advancement (Development & Alumni Relations) team, MBAA events are funded primarily through the association's operating account and alumni dues are the primary source of revenue. The MBAA operating account is the principal driver of our ability to connect through programming. I hope you will consider becoming a Premium Cupola member at the \$250+ level, or a Cupola member with a meaningful payment of \$100, \$50, or \$35 for the 2024-25 year.

Thank you, and I hope we will see you at an event in the near future.

Go Quakers,

Jason Engle '98 P'28 '30 '33  
Clerk, MBAA

*Please note that MBAA dues are separate from gifts to The Moses Brown Fund.*
