# NYS Seal of Biliteracy

The NYSSB recognizes high school graduates who have attained a high level of proficiency in English and one or more world languages. The intent of the NYSSB is to encourage the study of languages, to identify high school graduates with language and biliteracy skills for employers, to provide universities with additional information about applicants seeking admission and placement, to prepare students with twenty-first century skills, to recognize the value of language instruction, and to affirm the value of diversity in a multilingual society.

What you walk away with:

- Seal on your diploma
- Transcript notation
- Medallion for graduation

## Requirements from a points matrix:

Three points in English  
Three points in each world  
language

- Course grades
- National and state exams
- Transcripts
- Culminating projects
