SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

SCHOOL PROFILE

The Cupertino Union School District is the largest elementary school district in northern California. The District serves approximately 13,500 students in 17 elementary schools, one K-8 school, and five middle schools throughout the city of Cupertino and parts of the cities of Sunnyvale, San Jose, Saratoga, Los Altos, and Santa Clara.

ABOUT THE SCHOOL

Murdock-Portal is an alternative school in the Cupertino Union School District (CUSD) that creates an enriched environment that engages students in a well-rounded education. Our multi-age classrooms, modified year round calendar, balanced instructional focus and strong staff creates a strong learning environment for students.

SCHOOL OBJECTIVES

- P - Parents participate in, support, and share a common vision of education with the staff.
- O - Ongoing communication occurs between school and home.
- R - Rich learning environments include multi-age groups of students working with teams of teachers, support staff, and parent volunteers.
- T - Technology is integrated throughout the curriculum.
- A - All students are taught at their developmental level with respect for diversity.
- L - Learning plans, developed collaboratively, establish academic and personal goals and reflect a variety of assessment and reporting strategies.

DISTINGUISHING CHARACTERISTICS OF THE SCHOOL

- School Year: Murdock-Portal is on a modified year-round calendar. School begins in early August and ends mid June. School breaks are adjusted so the number of school days is the same as other schools in our district.
- Students: Students are grouped in multi-age villages with teams of teachers and, when possible, remain with the same teacher(s) for two years. Students work effectively as self-directed learners and collaboratively as team members.
- Instructional Focus: Curriculum is aligned with Common Core Standards. Student groupings are flexible with each child challenged at his/her developmental level. Teachers use a balance of basic skills and project-based strategies with a focus on collaboration, communication, creativity and critical thinking.
- Assessment: A variety of methods are used to assess student achievement. Development and refinement of standards and assessment instruments are ongoing. Student learning goals are developed in the fall and revisited throughout the year.
- Kindergarten: All kindergarten students are integrated with first grade to create a multi-age classroom.
- Parent Participation: Parent volunteering and financial support is an integral component of our success. Parents are expected to volunteer in the school and become active in our parent organizations. The School Site Council (SSC) develops and monitors the school plan and determines budget priorities. The Portal School Community Organization (PSCO) raises funds to support students and activities.

STAFF PHILOSOPHY OF THE SCHOOL

- Open & Honest: We are open and honest in our communication with each other and our school community. We believe this builds integrity, dependability, and trust, which are necessary for effective teaming and collaborative partnerships.
- Learning: We believe continuous personal and professional development allows us to grow, facilitates the acquisition of new knowledge, and empowers us to continuously improve.
- Community: We have a community that has a family feeling. We support, nurture, and value each other, develop and invest in friendships, and have a sense of priority and belonging to this community.
- Excellence: We strive for the best quality in teaching and learning. We are effective and efficient in accomplishing our work together.
- Diversity: We see our differences as strengths that make us a strong team. We have the freedom to express our opinions and challenge ourselves.
- Responsibility & Accountability: We are responsible for doing our personal best, learning, reflecting, measuring our progress, and teaching others what we have learned.

INSTRUCTIONAL MATERIALS

Cupertino Union School held a Public Hearing on September 26, 2024, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

SCHOOL FACILITIES

Murdock-Portal is comprised of K-5th grade classrooms, library, large multipurpose room, and 24 classrooms. The school also enjoys a spacious playgrounds, as well as grassy fields for running, sports, and games.

Campus Supervision & Safety

The Cupertino Union School District, all schools, and staff are dedicated to ensuring the safety of all students when attending school. Before school, during recess and lunch, students are monitored by school staff. When students are dismissed for the day, teachers and other school staff monitor the student pickup areas. During school hours, all visitors must sign in at the front office, show photo identification, and wear identification badges while on campus.

Cleaning Process

The Principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. In the evenings and during the day, custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Cupertino Union School District to ensure that all classrooms and facilities are maintained to a degree of adequacy.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

SCHOOL SAFETY

The safety of students and staff is a top priority for the Cupertino Union School District. With many parents and community members visiting the campus to volunteer and engage in school events, we maintain a secure environment by requiring all visitors to check in at the school office and obtain a visitor's badge. Upon departure, visitors must return to the office to sign out. Additionally, designated staff members supervise students and school grounds—including the cafeteria and recreation areas—during lunch, recess, and before and after school, ensuring a safe and orderly atmosphere for everyone.

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Fire drills are conducted on a monthly basis throughout the school year and intruder/lock-down drills are held annually.

The school evaluates the plan annually and updates it as needed. Plans are approved annually by March 1st. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The last review was in August 2024. An updated copy of the plan is available to the public at the school office.
