SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT STATEMENTS

MISSION STATEMENT

The Mission of the Cupertino Union School District is to provide a child-centered environment that cultivates character, fosters academic excellence, and embraces diversity. District families, communities, and staff join as partners to develop creative, exemplary learners with the skills and enthusiasm to contribute to a constantly changing global society.

DISTRICT PRIORITIES

- Priority 1: Future-Ready Learning: Support each child in developing the skills and characteristics of our CUSD Portrait of a Learner (POL) including academic content skills and our seven (7) competencies:

- *Critical Thinker
- *Effective Communicator
- *Global Contributor
- *Inclusive Collaborator
- *Inspired Creator
- *Resilient Learner
- *Wellness

- Priority 2: Community-Wide Engagement: Actively engage educational partners (students, staff, parents and community members) and build strong relationship to support the implementation of the CUSD Strategic Plan, including the Portrait of a Learner.

- Priority 3: Fiscal Responsibility: Effectively and efficiently utilize District resources, operations, and processes to maximize each student's learning.

- Priority 4: Sense of Belonging: Create a sense of belonging in the workplace so that every employee feels valued, validated and supported to actively engage in their work, fully contribute, and confidently practice well-being activities that promote connectedness and work-life harmony.

OUR FOCUS

- We will prepare students for future success - in high school, college, career, and in life - in this rapidly changing world
- We will provide personalized and challenging learning experiences, designed to help each child stretch towards their "just right" next learning step
- We will develop the whole child - social, emotional, intellectual, mental and physical well-being
- We will support student success and family engagement by building partnerships with parents and community organizations

OUR COMMITMENT AND PROMISE

- Provide Meaningful, Creative, and Innovative Curriculum and Instruction that supports student engagement and deepen student learning experiences
- Design Dynamic Learning Environments to meet the needs of all students while challenging each to develop existing skills, interests and understandings, as well as building new ones
- Attract, retain and support high quality staff who are seen as leaders and learners empowered to inspire our students
- Engage Family and Community as partners to actively support and improve the academic achievement, social and behavioral development, and health of our students
- Ensure District Communication systems are in place in order to connect our schools to our families and community, celebrate the successes of our students, staff and alumni while attracting and welcoming new families to the District
- Develop and maintain a District culture and infrastructure that ensures fiscal responsibility and places highest value on student learning
- Students will be provided and engage in learning experiences that are relevant and rigorous, personalized, and focused on the development of the whole child

OUR BELIEFS

- All children will progress, learn and thrive when provided engaging learning experiences and environments
- One size does not fit all - students learn at different paces and in different ways
- Academics are a portion of what matters to a child's success in school and in life
- When families, communities and schools work together, students are more successful and the entire community benefits

SCHOOL PROFILE

The Cupertino Union School District is the largest elementary school district in northern California. The District serves approximately 13,500 students in 17 elementary schools, one K-8 school, and five middle schools throughout the city of Cupertino and parts of the cities of Sunnyvale, San Jose, Saratoga, Los Altos, and Santa Clara.

ABOUT THE SCHOOL

Montclair Elementary School offers transitional kindergarten through fifth grade classes. Our school has been named a State Distinguished School based on outstanding school-wide programs for several years. Montclair is known for its community involvement and its quality of education.

Montclair, located in Los Altos, California, is one of 25 schools in the Cupertino Union School District. We serve a population of approximately 450 students in transitional kindergarten through fifth grade. Our roots go deep in Los Altos; Montclair School has been a neighborhood school for fifty years. Montclair, like our district at large, celebrates diversity as its strength and is committed to developing an inclusive, caring educational community in which each individual has an equal opportunity to achieve his or her potential.

Montclair is very fortunate to be supported by our Montclair Parent Teacher Organization (MPTO). MPTO is a non-profit organization that engages the community to contribute to quality education at Montclair.

Each year a school plan (SPSA) is established by School Site Council (SSC) which sets priorities for the school and reviews how school funds can support agreed upon goals. SSC is an elected body made up of parents, teachers, staff and the principal. You may access the 2024-25 School Plan for Student Achievement here.

Parent support of Montclair is also seen in the many ways they volunteer. The school and the community view themselves as a "family" and a "team", and demonstrate mutual respect, caring, and communication.

SCHOOL BELIEFS

Montclair Elementary School is committed to providing a strong academic program for all students. With this goal in mind, we encourage parent participation and involvement. We believe that active parent support and regular communication between home and school will help to ensure a quality educational program. Together we share a very important responsibility. The growth and development of your child is at the center of our relationship with each other. We encourage you to work with us in providing the best possible educational setting for your child.

SCHOOL MISSION STATEMENT

As a school, we are committed to the success of each Montclair student. The Montclair staff is dedicated to working with students, parents and each other to create a school in which each student:

- is welcomed and valued as part of a safe, caring and educationally challenging community respects their self and others
- acts responsibly
- is encouraged, supported and challenged to grow to their fullest potential, academically and socially
- develops an enjoyment of learning and the strategies and skills that enable them to be a lifelong learner

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

INSTRUCTIONAL MATERIALS

Cupertino Union School held a Public Hearing on September 26, 2024, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

SCHOOL FACILITIES

Montclair is comprised of a kindergarten area, a library media center, an iLab, a large multipurpose room, and 30 classrooms. The school also enjoys a spacious playground with slides and play bars, as well as grassy fields for running, sports, and games. Every classroom is wired for Internet connection. In recent years, Montclair added a new playground on the campus for the addition of the CuperDoodle Preschool. Additionally, the school has been modernized with all classrooms receiving upgrades including carpet, paint, and cabinetry.

Campus Supervision & Safety

The Cupertino Union School District, all schools, and staff are dedicated to ensuring the safety of all students when attending school. Before school, during recess and lunch, students are monitored by school staff. When students are dismissed for the day, teachers and other school staff monitor the student pickup areas. During school hours, all visitors must sign in at the front office, show photo identification, and wear identification badges while on campus.

Cleaning Process

The Principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. In the evenings and during the day, custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Cupertino Union School District to ensure that all classrooms and facilities are maintained to a degree of adequacy.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2023-24	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

The Montclair Parent Teacher Organization (MPTO) is a non-profit organization that engages the community to contribute to quality education at Montclair.

Community support has been crucial to providing stopgaps where state funding has failed our children. MPTO's programs depend on all of us! All contributions are tax deductible, and over 95% of what MPTO raises goes directly to benefit our children's education.

MONTE'S GALA

New to Montclair this year, our MPTO is hosting a silent auction gala to help with our fundraising efforts. In this adult only event, parents and community members enjoy a night out together with great food and bidding on items where all funds go to benefiting our school.

WALK-A-THON

Every spring MPTO holds this amazing event. Students participate by walking laps around campus, and parents can purchase items. The community comes together as hundreds of volunteers work together to make the event successful. More information about the next Walk-a-thon later in the school year.

MPTO membership includes the parents/guardians of all current students and Montclair's teachers and staff. The all-volunteer board is made up of Montclair parents. Many Montclair parents help children in the classrooms and library, on field trips, FunZone organizers, and with other special programs. They work with small groups, read stories, and assist with projects. If you wish to participate in your child's education, please contact his/her teacher.

For additional information about organized opportunities for parent involvement at Montclair Elementary, please contact our school office at (650) 967-9388.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

SCHOOL SAFETY

The safety of students and staff is a top priority for the Cupertino Union School District. With many parents and community members visiting the campus to volunteer and engage in school events, we maintain a secure environment by requiring all visitors to check in at the school office and obtain a visitor's badge. Upon departure, visitors must return to the office to sign out. Additionally, designated staff members supervise students and school grounds—including the cafeteria and recreation areas—during lunch, recess, and before and after school, ensuring a safe and orderly atmosphere for everyone.

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Fire drills are conducted on a monthly basis throughout the school year and intruder/lock-down drills are held annually.

The school evaluates the plan annually and updates it as needed. Plans are approved annually by March 1st. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The last review was in August 2024. An updated copy of the plan is available to the public at the school office.
