SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE CDE SARC webpage at http://www.cde.ca.gov/ta/ac/sa/, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at https://www.caschooldashboard.org.

DISTRICT STATEMENTS

MISSION STATEMENT

The Mission of the Cupertino Union School District is to provide a child-centered environment that cultivates character, fosters academic excellence, and embraces diversity. District families, communities, and staff join as partners to develop creative, exemplary learners with the skills and enthusiasm to contribute to a constantly changing global society.

DISTRICT PRIORITIES

- Priority 1: Future-Ready Learning: Support each child in developing the skills and characteristics of our CUSD Portrait of a Learner (POL) including academic content skills and our seven (7) competencies:
- *Critical Thinker
- *Effective Communicator
- *Global Contributor
- *Inclusive Collaborator
- *Inspired Creator
- *Resilient Learner
- *Wellness
- Priority 2: Community-Wide Engagement: Actively engage educational partners (students, staff, parents and community members) and build strong relationship to support the implementation of the CUSD Strategic Plan, including the Portrait of a Learner.
- Priority 3: Fiscal Responsibility: Effectively and efficiently utilize District resources, operations, and processes to maximize each student's learning.
- Priority 4: Sense of Belonging: Create a sense of belonging in the workplace so that every employee feels valued, validated and supported to actively engage in their work, fully contribute, and confidently practice well-being activities that promote connectedness and work-life harmony.

OUR FOCUS

- We will prepare students for future success in high school, college, career, and in life in this rapidly changing world
- We will provide personalized and challenging learning experiences, designed to help each child stretch towards their "just right" next learning step
- We will develop the whole child social, emotional, intellectual, mental and physical well-being
- We will support student success and family engagement by building partnerships with parents and community organizations

OUR COMMITMENT AND PROMISE

- Provide Meaningful, Creative, and Innovative Curriculum and Instruction that supports student engagement and deepen student learning experiences
- Design Dynamic Learning Environments to meet the needs of all students while challenging each to develop existing skills, interests and understandings, as well as building new ones
- Attract, retain and support high quality staff who are seen as leaders and learners empowered to inspire our students
- Engage Family and Community as partners to actively support and improve the academic achievement, social and behavioral development, and health of our students
- Ensure District Communication systems are in place in order to connect our schools to our families and community, celebrate the successes of our students, staff and alumni while attracting and welcoming new families to the District
- Develop and maintain a District culture and infrastructure that ensures fiscal responsibility and places highest value on student learning
- Students will be provided and engage in learning experiences that are relevant and rigorous, personalized, and focused on the development of the whole child

OUR BELIEFS

- All children will progress, learn and thrive when provided engaging learning experiences and environments
- One size does not fit all students learn at different paces and in different ways
- Academics are a portion of what matters to a child's success in school and in life
- When families, communities and schools work together, students are more successful and the entire community benefits

SCHOOL PROFILE

The Cupertino Union School District is the largest elementary school district in northern California. The District is serves approximately 13,500 students in 17 elementary schools, one K-8 school, and five middle schools throughout the city of Cupertino and parts of the cities of Sunnyvale, San Jose, Saratoga, Los Altos, and Santa Clara.

SCHOOL MISSION STATEMENT

The mission of Blue Hills Elementary School is to provide an image-nurturing environment in which each child has the opportunity to realize his/her potential as a lifelong learner. Our school community values safety, respect, responsibility and kindness - these qualities guide our daily actions. At Blue Hills, we use multiple measures to assess student progress and adjust instruction according to student skills. Our staff support each student to achieve their personal best and full potential. We utilize a team approach for identifying needs and providing additional supports. Our encouraging environment integrates curriculum and community support so that each child has the opportunity to learn self-awareness, respect diversity, and achieve academic excellence.

SCHOOL VISION STATEMENT

Blue Hills is a discovery-based, STEAM-infused, personalized learning environment developing essential skills such as creativity and critical thinking to foster, compassionate, innovative problem-solvers.

SCHOOL BELIEF STATEMENT

Empathy and kindness guide our daily actions.

CONDITIONS OF LEARNING

- The SARC provides the following information relevant to the Basic State Priority (Priority 1):

 Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;

 Pupils have access to standards-aligned instructional materials; and

 School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

INSTRUCTIONAL MATERIALS

Cupertino Union School held a Public Hearing on September 26, 2024, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

SCHOOL FACILITIES

Blue Hills is comprised of a TK/Kindergarten area, library media center, GLC, Collaborative STEAM Spaces, multipurpose room, and 17 classrooms. The school also enjoys two spacious playgrounds with play area designated for students in TK/Kindergarten, primary,grades and upper grades, as well as grassy fields for running, sports, and games. Blue Hills has just completed school-wide modernization and construction. Modernization included creating a new warming kitchen/cafe speed line, installing flexible walls within the Guided Learning Center classrooms, creating Collaborative STEAM Spaces within the Guided Learning Center, creating a staff work room, updating existing classrooms, and playground blacktop resurfacing. This fall, Blue Hills completed a special project which included a variety of new landscaping additions, and several murals around campus!

Campus Supervision & Safety

The Cupertino Union School District, all schools, and staff are dedicated to ensuring the safety of all students when attending school. Before school, during recess and lunch, students are monitored by school staff. When students are dismissed for the day, teachers and other school staff monitor the student pickup areas. During school hours, all visitors must sign in at the front office, show photo identification, and wear identification badges while on campus.

Cleaning Process

The Principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. In the evenings and during the day, custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Cupertino Union School District to ensure that all classrooms and facilities are maintained to a degree of adequacy.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at https://www.caaspp-elpac.cde.ca.gov/caaspp/. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at http://www.cde.ca.gov/ta/tg/pf/.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Blue Hills has a strong culture of parent involvement, believing it really does take a village! Our school focuses on establishing a kind and caring community, as well as creating a strong sense of belonging amongst students, staff and families. Besides seeing parents on campus volunteering in a variety of roles (ie: supporting the teachers with hands-on activities, Project Cornerstone readers, STEAM-infused learning opportunities, and leading lunchtime clubs such as Bobcat Laps Running Club), there are two distinct parent organizations at Blue Hills that are the building blocks of our community. These parents organizations (PTA and BHEF) work in tandem to provide amazing enrichment programs, activities, and events across the site for all students. Alongside our PTA and BHEF is an important decision-making committee (SSC) to ensure all voices are heard in our school community.

The PTA provides many opportunities for families to become involved in their child's educational experience. With family participation and/or monetary support, the PTA provides our students with such wonderful experiences such as Project Cornerstone reading program, Bobcat Laps Running Club, Classroom discretionary funds, school-wide assemblies, and an annual Read-a-Thon. PTA also ensures school safety with providing parent volunteers before and after school and supplying each classroom with disaster preparedness supplies. PTA has two major fundraisers (Fall Festival and Read-a-Thon) during the school year which are also considered events that build community and relationships between families and the staff at Blue Hills. These events are the highlight of the year for many!

Blue Hills Educational Fund (BHEF) is a foundation dedicated to support and enhance the programs, initiatives, and priorities of Blue Hills Elementary. They are leading the charge in enhancing our school's STEAM-infused instruction, blending visual and performing arts with science, technology, math, and engineering. The Blue Hills STEAM -infused learning environment is designed to help our children become the innovators, educators, leaders, and learners of the 21st century! BHEF raises funds to pay for personnel such as our TK-3 music teacher, TK-5 art teacher, technology specialist, librarian, and classroom instructional assistants. BHEF also helps support school initiatives such as professional development for staff, SEL (Social Emotional Learning) Programming, and after-school programming for students. Fundraising vehicles include corporate matching programs, family dine-out nights, Amazon Smile, BHEF Showcase, and direct donations.

The School Site Council (SSC) comprised of school staff and parents working together to improve the quality of education, address school needs and update the school plan. This committee meets about six times per year to give guidance and feedback regarding the school plan and other site initiatives.

For additional information about organized opportunities for parent involvement at Blue Hills Elementary, please contact the school office at (408) 257-9282.

SCHOOL CLIMATE

SCHOOL SAFETY

The safety of students and staff is a top priority for the Cupertino Union School District. With many parents and community members visiting the campus to volunteer and engage in school events, we maintain a secure environment by requiring all visitors to check in at the school office and obtain a visitor's badge. Upon departure, visitors must return to the office to sign out. Additionally, designated staff members supervise students and school grounds—including the cafeteria and recreation areas—during lunch, recess, and before and after school, ensuring a safe and orderly atmosphere for everyone.

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Fire drills are conducted on a monthly basis throughout the school year and intruder/lock-down drills are held annually.

The school evaluates the plan annually and updates it as needed. Plans are approved annually by March 1st. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The last review was in August 2024. An updated copy of the plan is available to the public at the school office.
