

Big Brothers Big Sisters[®]

OF EAST CENTRAL WISCONSIN

IGNITE HER BRIGHTEST POSSIBLE FUTURE

Add a mentor: Enrolling girls in grades 1-8

Together, Bigs (adult mentors) and Littles (youth) explore the local community and share fun activities they both enjoy. BBBS staff works with Bigs, Littles, and Littles families to encourage a continuous relationship and provide opportunities to participate in fun and engaging activities throughout the year.

When girls and young women have strong female mentors and positive role models, they are better prepared to tackle their future with confidence.

The process of becoming a Little in a Big Brothers Big Sisters program
