

MUSGRAVE

■ Bella and Flora - Musgrave House Captains 2024/25

In the Autumn Term, Musgrave had many great successes. In House sport, U4 and L5 won lacrosse and netball. Our senior team also came first in both sports. As is our tradition on St Catherine's Day, Musgrave girls raised money for *Against Breast Cancer* by selling badges and wristbands to spectators

With the end of term came House Drama Day, which was inspired by the theme of Impressionist paintings. Musgrave performed a play based on the painting, *Luncheon at the Boating Party* by Renoir. The script was written by our Drama prefect, Katie, and our lead actor, Bella, won 'best senior actor'. We were so proud to win the Merit Cup this term, come 2nd in the running for the Work Cup and win the Music progress award; these awards show Musgrave's wide range of talent and versatility across many extra curriculums and all age groups within the House.

The House Singing competition followed a really fun theme this year: *Disney*. The

whole House performed *A Whole New World* followed by our choice of *Valerie* by Amy Winehouse. Musgrave took to the stage with coordinated dance moves and big smiles, and managed to win the competition! House Gym was also a great success, with a team effort from every age group performing their dance or gymnastics routine, all choreographed and organised by the L6. We came second in the rhythmic section, and in the Middle School Dance. At our House Communion, the theme picked by our wonderful House Captains was 'dedication' and we raised an amazing £251 for The British Red Cross Ukraine Crisis Appeal.

In the Summer Term, we had many volunteers to play House Cricket and Tennis, with incredible House spirit and lots of cheering and supporters from the side-lines. Our amazing U4/L5 cricket team won House Cricket after a hard-fought match against Stoner, and our team of U3/L4 tennis players came second! After an incredibly exciting Sports Day, Musgrave came 2nd overall, with

Sasha and Freya performing excellently individually. In the end-of-year Long Parli, Musgrave won the Work Cup, the music progress award and the Folley Cup (for consistency across the year) for the second year in a row!

Lastly, we would like to thank our lovely Housemistress, Mrs Kitchen, for all her continued support and encouragement running and constantly supporting the House along with our brilliant tutor team. Another massive thank you should go to our previous House Captains, Georgia and Ellen, for leading the House with such enthusiasm and House spirit. The whole House is so grateful to them for everything they did last year, and we wish both them and the rest of our prefect team the best of luck for their future lives.
